Pave the way to academic success--check out our reading/math activities!**

PRINCIPAL'S CORNER

Dear Families of NFE,

Can you believe the school year is almost over! We're down to the last 3 weeks of school and it seems as if it were only a month ago that we were hosting an open house for the school year. Wow, time flies!

Thanks to our parents, partners, and friends for your diligence in supporting so many of the important activities at our school. Our boys and girls continue to shine and we appreciate your continued positive participation.

As the school year quickly comes to an end, there are events yet to happen that we'd love to see many of our parents and friends support. Educator's Appreciation Week begins May 5, 2014. Be sure to remind your child's teacher how much you appreciate what they do to support the future in what they do every day. The Talent Show is Thursday, May 8, at 6:30 and it is always a big hit within our community. Our final Honors Assembly for the year will be Thursday, May 22, with our 5th grade Commemoration Ceremony on Friday, May 23. I always enjoy these ceremonies because it showcases the efforts of our students for the semester and the year. What a great time!

As you can see, activity is on the rise at North Fayette Elementary. I want to thank you for your support this year and I hope you have an enjoyable, relaxing summer. We look forward to seeing many of you in August!

Sincerely,
Jade Bolton

NFE Thanks Mrs. Nancy Reagin's 35 Years of Teaching

Teaching at North Fayette Elementary School has been such a great learning experience for me. I have thoroughly enjoyed teaching the students and working with the staff here for the last 20 years! Thank you staff for believing in me, it was a great honor to serve as your 2012 Teacher of the Year.

After 35 years of teaching, I think it is time to move to a new chapter in my life, I look forward to traveling and spending time with my family, especially my grandson. You will all be greatly missed. I will probably be coming back often to help out where ever I can because my life will not be the same with-

out seeing my dolphin family at North Fayette Elementary.

END OF SCHOOL YEAR ACTIVITIES AT NFE
