

Rising Starr Middle School

Marquee Replacement Donation

To improve communication with our parents and students, please consider helping us replace our aging, dilapidated marquee by making a donation to the Marquee Replacement Fund. We want to replace the existing marquee with a digital display marquee that can be easily updated and show more information. We have established a goal of \$25,000. This amount will cover the estimated cost of the new marquee, installation, landscaping, and a contingency fund for future repairs. In the event that we exceed our goal, excess funds will be used for upgrading and maintaining outdoor equipment and learning spaces for Rising Starr students. Donations of \$100 or more will be acknowledged on our school webpage unless anonymity is requested.

DELTA EMPLOYEES or RETIREES

The Delta Air Lines Foundation has a *Matching Gifts to Education* program that "will match Delta domestic employees', retirees' and Board of Directors members' donations to public and private, accredited, non-profit educational institutions, pre-K through post-graduate, on a 1-for-1 basis up to \$5000 cap per person per calendar year." Rising Starr Middle School is an eligible organization on the website. For information, log into your DELTANET account and search for "matching gifts for education." The link with information about the program and a link to the site to make the donation should appear. *(I did it; it's very simple. NB)*

Donations made to the school are tax deductible. A letter can be provided for your records upon request. Make checks payable to Rising Starr Middle School and send to the office.
