

## SIGN UP FOR THE BRAELINN SANTA SHOPPE

It is time once again to have your students make their shopping list and check it twice.

Please take a minute to sign your class up to shop at our Santa Shoppe. The dates are December 6th through December 9th, 2016. Our Shoppe will be in the science lab again this year. There is a 30 minute block for each class. Please, one class per time slot. If a student missed their shopping time for any reason, they can come on Friday at 10:30 or during one of the restocking breaks if that works with your teaching schedule.

Thank you for your support of this fun event!

Tuesday, December 6, 2016	Teacher's Name
