As this is a fundraiser no refunds can be issued for any reason once registration is complete.

Fayette guidance counselors together with Partner in Education Club Z! In-Home Tutoring are facilitating SAT & ACT Practice Diagnostic Tests January 16th and February 27th

While students will not receive a score report like a regular SAT, they will receive an in-depth analysis of test strengths and weaknesses according to questions answered correctly and incorrectly. This provides an opportunity for students to prep in their weak areas prior to a scored test that counts for college admission.

This is the perfect time for students to practice the Redesigned SAT format before taking the real tests, and compare results with a practice ACT.

Why take the Practice Tests?

- Practice the kind of questions on the real entrance exams.
- Receive a diagnostic report on your strengths and weaknesses.
- Improve BEFORE it counts with a score.
- Study guide included.
- Fayette County high school guidance counselors coordinate this opportunity and 80% of the \$25 cost is contributed to guidance department activities.

Practice SAT Date: Saturday, Jan. 16th

7:45 AM-Noon Sandy Creek HS Auditorium

Practice ACT Date: Saturday, February 27th

7:45 AM-11:45 AM Fayette County High School Commons Area
