WHEEL DRIVE BATTERY BURNISHER

CHARGER 2022 DB

Bring out the luster in your floors with a clean, battery powered burnisher. The high-speed electric motor burnishes without the fumes and noise of a propane burnisher.

- High performance. The Charger 2022 uses an optimal combination of speed and pressure to quickly restore the luster of floor finish. The powerful motor on the Charger 2022 is perfect for concrete polishing with diamond pads.
- Clean operation. The Charger 2022 captures the floor finish powder created during polishing with the efficient Vac-Trac Dust Control System built into the pad motor shroud.
- The electric advantage, low cost of ownership. Unlike propane burnishers, the Charger 2022 doesn't need frequent maintenance. Save thousands of dollars of operating costs by avoiding propane fuel costs, oil changes, and other costly repairs.

DO NO HARM™

Battery burnishers get the job done without the environmental downside of propane burnishers. Quiet operation, no exhaust fumes, excellent dust collection and lower energy costs.

Printed on Green Seal® certified paper that contains 30% recycled post-consumer fiber.

SPECIFICATIONS

CHARGER 2022 DB

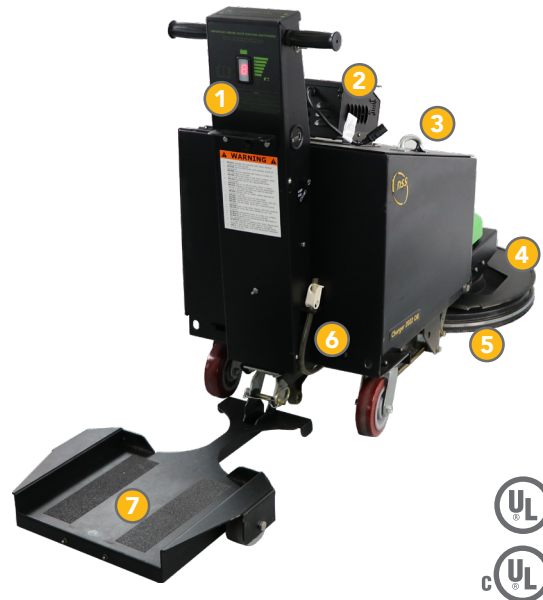

Pad Speed	2200 RPM	
Pad Size	20 in (51 cm)	
Pad Motor	DC permanent magnet	
Type	DC permanent magnet	
Voltage	36V	
Power	2.5 HP (1865W)	
Batteries, Qty	6 x 6V	
Batteries, Type and Size	235 AH Wet 220 AH AGM	
Run Time	Up to 3.0 hours	
235 AH Batteries	Up to 2.7 hours	
220 AH Batteries		
Drive Motor	DC permanent magnet	
Type	DC permanent magnet	
Voltage	36V	
Power	0.5 HP	
Safety Switch	Tilt switch prevents operation when pad is raised	
Overload Protection	Machine controller will protect the motor by stopping the pad if current is too high	
Construction	10 gauge powder coated steel	
Frame	12 gauge powder coated steel	
Housing	ABS plastic with steel liner	
Flexiwall Shield	One 10 in non marking tire	
Drive Wheel	Two 6 in ball bearing casters	
Casters		
Sound Level	68 dBA	
Dimensions	57 x 24 x 42 in	
L x W x H	143 x 61 x 106 cm	
Weight (lbs)	<u>Wet</u>	<u>AGM</u>
Machine	692 (313 kg)	720 (326 kg)
Shipping	797 (362 kg)	825 (374 kg)
Productivity (ft²/hr)	24,000 (2230 m ² /hr)	
Warranty	3 year parts

1. LED display shows the battery charge and displays diagnostic codes when service is needed.
2. The on-board battery charger provides convenient recharging anytime, anywhere.
3. Lift the top cover to reveal a wide-open battery compartment for easy service.
4. Dust collection bag collects 99.5% of dust to maintain indoor air quality.
5. The flexible housing surrounds the pad channeling air flow into the filter bag.
6. Battery tray with drain collects any spilled battery acid, protecting the machine and your floor.
7. (Optional) Improve productivity and reduce fatigue by adding the sulky attachment. The sulky flips up and stores on the handle when not in use.

OPTIONS AND ACCESSORIES

SENTRY

Monitor machine use through the internet. Sentry helps you manage your fleet by reporting machine usage, charge cycles and more.

ECOSTRIP

Ecostrip Buff pads have a fine 8500 grit diamond coating that brings back the shine after scrubbing. Perfect for high traffic areas and light restoration work.
