2. Academic Integrity. Students at Sandy Creek High School are expected to submit work for evaluation that has been completed solely by that student, unless group assignments have been so designated. Academic integrity is expected at all times. No student shall receive, give,
procure, or attempt to procure answers, assistance, or materials not authorized by the teacher. **Academic dishonesty in any form will result in a zero.** We define academic dishonesty (cheating) as giving, receiving, or using unauthorized assistance in any form or of any nature on tests, examinations, projects, homework, or reports or any other school work or activities. Plagiarism, the use of another’s ideas or products as one’s own, can also be defined as cheating. The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher, or other supervising professional employee, taking into consideration written materials, observations, or information. Students will receive a discipline referral for any act of cheating or academic dishonesty.

3. **Advanced Placement (AP) Classes.** All students who enroll in AP classes are required to complete the entire course and take the National AP Exam at the end of the course.

4. **Exams.**

   - **Finals.** A final exam, which counts 20% of the semester grade, will be given in each class at the end of the semester. State Milestones End of Course (EOC) Tests count as the final exam in those courses tested.

   - **Makeup.** Only those students who present evidence of an excused absence during an exam will be permitted to make up the exam. All make-up exams must be completed within 3 days unless other arrangements are made with the teacher.

5. **Exam Exemption.** (Students may NOT exempt EOC Milestones/AP/IB exams).

   - **Academic Exemption.** Each semester, as a reward for academic excellence, a student may choose to exempt up to three final exams (if the student is enrolled in seven classes at the home school) or two final exams (if the student is enrolled in six or fewer classes at the home school) provided the student has a grade of 95 or higher in the selected course(s).

   - **General Exam Exemption.** A student may exempt any one final exam provided the student has a semester average of at least 70 in the course he/she wishes to exempt.

   - **Senior Exam Exemption (Second Semester Only)**
     - A high school senior who will be graduating at the end of the second semester may exempt the final exam in any course(s) provided the senior has a grade of 80 or higher in that course.
     - A senior may use the General Final Exam Exemption in lieu of the Senior Final Exam Exemption if the student chooses. For all final exam exemptions:
       - a. If a student qualifies for both general and academic final exam exemptions, the student must choose only one type of exemption (general or academic). A student may not combine the two types of exemptions.
b. A student may not exempt the first or second-semester final exams for courses with an End of Course Milestones assessment, AP courses, and IB courses.

c. Final exams in dual enrollment courses are under the jurisdiction of the post-secondary institution. FCPS final exam exemption procedures do not apply to dual enrollment courses.

Junior Marshals will follow the Senior Exam 2nd Semester Policy and Schedule.

AWARDS /HONORS/RECOGNITIONS

1. Honor Roll. There are two honor roll categories for all students. The A-Honor Roll for students who make all As, and the A/B-Honor Roll for students with all As and Bs. Students will be recognized at the end of each semester.

2. Honor Graduate. In order to graduate with honors, a student must have an overall unweighted grade point average of 90 by the end of the 1st semester of the senior year. For students who are close to the 90 average, the first 9 weeks report card grades of the 2nd semester will be averaged with the overall grade point average to determine eligibility.

3. Governor’s Honors Program (GHP). GHP is a four-week summer residential instructional program designed to provide intellectually gifted and artistically talented high school students challenging and enriching educational opportunities not usually available during the regular school year. Activities are designed to provide each participant with opportunities to acquire the skills, knowledge and attitudes to become independent, lifelong learners. Sophomores and juniors in Georgia's schools may be nominated by their teachers. Students are nominated in a specific instructional area in which their abilities, aptitudes and interests lie. Each school system is assigned a nomination quota based on the average daily attendance of its tenth and eleventh grades. The written evidence and the data gathered in the student interview/ audition are used to rank nominees and select finalists. The number of students selected in each instructional area is determined by the ratio of applicants in that area to the total number of applications received.

4. STAR Program. The Student Teacher Achievement Recognition (STAR) program was created to focus public attention on Georgia’s outstanding students and the teachers who have been most instrumental in their academic development. To obtain the STAR nomination, students must have the highest score in one sitting on the Scholastic Assessment Test (SAT) taken through the November test date of their senior year and be in the top 10 percent or top 10 students of their class. The student selected would then select the STAR teacher.

5. Scholarships. There are a number of different scholarships available for students. Start early and contact the financial aid office of the college(s) you are considering. Ask for information on the scholarships they offer. Apply for local scholarships through your employer,
church, insurance companies and local organizations. Beware of deadlines and stay away from internet scholarship searches that charge a fee. Consult your counselor for assistance.

Students planning to check out must have their parent fill out the designated form and return it to an administrator prior to exams OR a parent may physically check the student out of school. All students are expected to be in attendance during exam times.

BULLYING AND HARASSMENT

Bullying is defined as aggressive behavior that is intentional and that involves an imbalance of power or strength. Typically, it is repeated over time. A child who is being bullied has a hard time defending herself/himself.

1. Types of Bullying. Some typical forms of bullying are:
   a. Verbal bullying including derogatory comments and bad names
   b. Bullying through social exclusion or isolation
   c. Physical bullying such as hitting, kicking, shoving, and spitting
   d. Bullying through lies and false rumors
   e. Having money or other things taken or damaged by students who bully
   f. Being threatened or being forced to do things by students who bully
   g. Racial bullying and sexual bullying
   h. Cyber bullying (via cell phone or Internet): Cyber bullying is bullying through email, instant messaging (IMing), chat room exchanges, Web site posts, or digital messages or images sent to a cellular phone or personal digital assistant (PDA) (Kowalski et al. 2008). Cyber bullying, like traditional bullying, involves an imbalance of power, aggression, and a negative action that is often repeated.

2. Impact of Bullying. A single student who bullies can have a wide-ranging impact on the students they bully and the overall climate of the school and community. Students deserve to feel safe at school, but when they experience bullying, the following types of effects can last long into their future: Depression, Low self-esteem, Health problems, Poor grades, and Suicidal thoughts.

3. What to Do. If you feel that you or someone else is being bullied, immediately report it to a teacher, a school administrator, a counselor, or school resource officer (police). No one has to put up with bullying, but we cannot help you if you don’t report it.

4. HARASSMENT. Any person who alleges sexual, racial, or other harassment by a staff member or student in the school district should present the information directly to the principal, an assistant principal, or counselor. Harassment in any form will not be tolerated.
CELL PHONES / ELECTRONIC DEVICES.

1. Cell Phone Use. Cell phones, and other electronic devices, ARE NOT TO BE USED at school during the instructional school day in the classrooms or in between classes. They may be used during your assigned lunch period. Cell phones must be turned off and kept stored away in pockets or bags at all times. The school day begins when the student enters the building, and the school day ends when students are dismissed at the end of 7th period.

Violations of this policy will result in disciplinary action according to the Fayette County Progressive Discipline Guidelines:

   First Offense: 2 Administrative Detention/Confiscate/Return to Parents
   Second Offense: 1 day of ISS/Confiscate/Return to Parents
   Third Offense: 3 days of ISS/Confiscate/Return to Parents
   Fourth Offense: 1 day of OSS/Confiscate/Return to Parents
   Continued violations will result in more severe disciplinary action.

Students who refuse to turn over phones/electronics when asked by a school administrator will be suspended.

Cell phones or cameras containing indecent, nude, or pornographic pictures or videos, photos of drugs, weapons, acts of violence or gang-related activity will be confiscated and kept indefinitely or turned over to police.

Students are encouraged not to allow other students to use their cell phone during the school day. Phones that are confiscated will be treated as though they are the personal property of the one in possession of it at the time of the incident, and all of the above rules will apply.

2. Cell Phone Theft. Students should take extra care to keep their phones secure. Do not leave your phone lying on a desk or table and be sure to lock them in your gym locker during physical education and other activities. The school will not be responsible for lost or stolen phones. All cell phone theft issues will be turned over to the police, and students who take other students' cell phones may be arrested and charged with a felony. Students should never take or hold a phone that does not belong to them. You may not know who the phone belongs to, but you do know that it does not belong to you!

3. Cell Phones & Academics. Students will be asked by teachers to turn in their phones at the beginning of a class for that class period when there is an exam or major test. This is to ensure that the test is not compromised by students taking photos of test material and sharing it with other students.
EMERGENCY/SAFETY INFORMATION

1. Emergency Information. ALL STUDENTS must have a current emergency form on file in the school office and clinic. The form must have current phone numbers where a parent or designee may be reached in the event of an emergency. First aid for minor injuries is administered in the school clinic by the school nurse. When a serious illness or injury occurs, parents are notified immediately and EMS (ambulance) may be called in critical situations.

2. Safe Environment Policy
For all students to learn and grow, school must be a safe environment. Current events suggest that ensuring such an environment is a task that requires a strict, no-nonsense approach to any words or deeds that reflect the violence of our times. Sandy Creek High School will regard all written and/or verbal threats, implied or direct, toward students, staff members, or school and staff property, as acts of malice and endangerment. The school's disciplinary action will be immediate and severe. Incidences may be reported to the Sheriff's department. Students are encouraged to report anyone who has brought or has threatened to bring weapons to school.

3. Medicines. Sandy Creek High Schools' clinic does not hold a dispensing license and is not overseen by a physician. Therefore, the medication authorization form is a legal document that is required to administer medication to students. This written consent must be completed by the parent or legal guardian, unless the student is 18 years of age and has legal guardianship of himself/herself. Prescription medications must be taken to the nurse with written orders from a physician. Students should go to the clinic between classes to take medication unless special arrangements have been made by the administration. Over-the-counter medication should also be kept in the clinic. All medication must be presented to the nurse in its original package that indicates name, dosage and expiration date of the medication. Additionally, all medications must be authorized by the parents/legal guardians' written consent.

6. Communication with Parents. The preferred method of communication with teachers is through email. **Teachers are expected to respond to parents’ emails within 48 hours.** Every effort will be made to communicate with parents concerning grades, attendance, and discipline, but please do not wait for us. If you have any concerns please contact the school. Also, the Sandy Creek High School website: ([www.fcboe.org/schs](http://www.fcboe.org/schs)) is an excellent place to obtain information and to maintain contact with teachers. Parents may also inquire about their child’s progress, discipline, and attendance on the Infinite Campus Parent Portal computer program.

8. Discipline Procedures. Our discipline procedures are age appropriate and designed so that the degree of discipline will be in proportion to the severity of the behavior leading to the consequences. The previous discipline history of the student and other relevant factors will be considered, and all due process procedures required by federal/state law will be followed. Additional discipline-related information can be found in the Student Code of Conduct book.

9. Dress Code for Students. Students are expected to dress and be groomed in such a way as to reflect neatness, modesty, cleanliness, and respect for the school. Students’ dress should
