IB Exams for the Seniors begin on May 3rd. More info to come.

THE DIPLOMA PROGRAM at SCHS

This year's Junior cohort is 7 strong. We have settled into our classes and started learning our IB content and values.

The Seniors have a busy semester already. They are working on wrapping up their Internal Assessments, CAS, and the Extended Essay.

We now have 29 students who are in IB courses, working towards the IB Certificate in that field of study. We are so happy you are part of our team!

IB RETREAT

The first of its kind!

Thursday, August 19th, 2021 will mark the first IB Retreat in the history of SCHS. All of our IB students, diploma or certificate, are invited to this day of fun and fellowship. We will meet at 8:35 am in the Media Center.

Bring water, sunscreen, and a white t-shirt! Wear comfortable clothes and shoes!!

IB DID YOU KNOW...?

...at SCHS, you can enroll in the full IB Diploma or in individual IB courses? They are all pre-university courses and are considered by universities as the most rigorous courses available in high school.

Passing an IB exam can provide you with one or more of the college credits you need.

IB CAS

IB partners with Bloom.

Our students are currently collecting items for Bloom, an organization that helps children and teens in the foster care system. We need the following items to make no-sew blankets and toiletry bags:

- 1.5-yard pieces of anti-pill fleece (teen designs preferred)
- Shampoo & Conditioner - 3oz
- Bar Soap
- Toothbrush
- Toothpaste - 1.4 oz
- Lotion - 3oz-5oz
- Deodorant

Please bring your donations to the box labeled IB in the front office by August 18th.

Bloom and our CAS students thank you for your generosity!
