IB GIVES BACK

THIS MONTH'S CAS PROJECT

CAS is working with Midwest Food Bank, led by IB Senior, Matthew Martin.

During the pandemic, many people have had their lives turned upside down, and some have had an already bad situation become worse. Many families are hungry and do not have the means to buy food themselves.

In the next few weeks, we can work to help them. Food donation boxes are in the front office and Ms. Lloyd's room in room 306.

We need canned meats, vegetables, fruits, soup, and stew. We also need pasta, rice, peanut butter, and beverages. These donations will go to the Midwest Food Bank in order to help people in need, in time for Thanksgiving.

List of items needed:

- Canned Meats
- Canned Vegetables and fruits
- Pasta
- Rice
- Soup
- Peanut Butter
- Canned Stew
- Beverages

Locations:

- Front Office
- Room 306

SOPHOMORES!!

Apply to the IB Diploma Program Now!

Juniors: You can apply to the IB Environmental Systems & Societies course.
