Juniors and Seniors

Our goal is to help you make the most informed decision when deciding on a college. SCHS offers in-house college visits where college representatives come to SCHS to promote their program and answer admission and campus questions. If you are interested in speaking to a college representative, please log in to your Naviance account at <https://student.naviance.com/sandychs>. Log in using your school email and your regular school password (Lammddyyyy). On the main page, you will see a box that says "What's new". In that box are listed all the upcoming colleges visiting SCHS. If you are interested in a school listed, click on "more info". Then click "register". Students must come by the counseling office for a college visit pass. Without this pass, your teacher will not allow you to leave. In-house college visits are open to 11-12 graders only."

Below we will share some important information that you should look over and take care of in the next few weeks. There is also a bulletin board outside of room 226 where we will post all senior information. Please do not hesitate to email senior sponsor, Tony Kluemper at kluemper.tony@mail.fcboe.org, if you have any questions.
