Starr's Mill Athletics Overview

Our Athletic Mission: To empower individuals equipped to learn, face challenges, embrace opportunities, succeed, and serve to positively impact our world.

Our school Motto: "Demand Excellence"

The Starr's Mill Athletic Club would like to welcome in the 2021-2022 athletic year. The Starr's Mill Athletic Club operates and functions through the Starr's Mill Athletic Department. The main goal of the Starr's Mill Athletic Club will be to provide support to ALL sports at Starr's Mill High School. All finances in support of the Starr's Mill Athletic Club will be managed by Starr's Mill High School.

Starr's Mill Athletics 2021-2022 Budget Outlook

\$122,000- Will be given as a budget to help support all of our sports throughout the year

Our Athletics program had great success during the 2020-2021 school year. We were the class 5A Director's Cup Champions, which is awarded to the most successful overall athletic program in GHSA class 5A. We won state championships in Dance and Baseball. We were state runner-up in Cheerleading, Softball, Girls Lacrosse, and Boys Track. We competed in one of the toughest regions in 5A winning 10 region titles. 18 of 23 sports finished in the top eight in the 5A classification.

This success can only happen with dedicated athletes, great coaches, and unbelievable parental support. We hope that you will continue to support our athletic programs through joining the Starr's Mill Athletic Club and seeing the advantages in joining.

Sincerely,
Shane Ratliff- Athletic Director
