What is a School-Parent compact?

A school-parent compact is an agreement between teachers, parents, and students. The compact explains how we plan to work together to help each child meet the expected grade-level standards.

How is it created and revised?

The parents, students, and staff of Robert J. Burch Elementary School worked together to develop this School-Parent Compact. These stakeholders suggested strategies and ideas to help students grow as learners. Meetings are held annually to review the compact and make changes as needed.

What is Title 1?

Robert J. Burch Elementary is identified as a Title 1 school as part of the Elementary and Secondary Education Act of 1965 (ESEA). Title 1 is designed to support state and local reform efforts and enhance efforts to improve teaching and learning for students. Title 1 programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All title 1 schools must jointly develop with parents a written Parent and Family Engagement Plan.
