

Algebra 1 or Accelerated Alg/ Geometry A Preview

Students scheduled for Algebra or Accelerated Algebra/ Geometry A in either 8th grade or 9th grade for the School Year 2019-2020

Get a head start on algebra math concepts!!

Feel less anxious about what you are going to learn too!

If you want your child to get a jumpstart on math concepts that will be presented in Algebra and Accelerated math in the 8th or 9th grade, this class would be beneficial.

This class will meet for 2 hours on 8 days. Please see the chart below for dates of classes. Choose one session. Your child will be introduced to concepts that will cover various units through the school year. The concepts will be an overview which will give your child an idea of what to expect.

Dates in June 2019

Session One-----10 am to 12 am OR Session Two----1 pm to 3 pm

Monday	Tuesday	Wednesday	Thursday
June 3rd	June 4th	June 5th	June 6th
June 10th	June 11th	June 12th	June 13th

Location: J.C Booth Middle School—Room 701
