

Cleveland Elementary would like to invite you to Kindergarten Shadow Day!

Kindergarten Shadow is Friday, May 3rd from 8:30-9:30 am.
Parents will find out information about the school,
have an opportunity to ask questions,
and take a tour of the campus.

Children will spend time in a Kindergarten classroom
and have the chance to experience some of what happens
during a typical day in Kindergarten.

We ask that parents call Cleveland Elementary 770-716-3905
ahead of time to sign their child up for a Kindergarten screening after
Shadow Day. The screening takes about 30 minutes.

We look forward to meeting you and your child!
