

Fayette County Middle Schools
8th Grade Career Day

The counselors for the Fayette County middle schools are planning a district wide Career Fair for 8th graders November 10th at the LaFayette Education Center (the old Fayette County High School) located at 205 LaFayette Ave., Fayetteville, GA 30214. The fair will be held from 9:00 AM – 1:30 PM. Our fair was a huge success last year because of the great parental and community help we received. This is a big endeavor and we need your help this year.

Please consider sharing information about your own career.

If you would like to help in any of these areas, please fill out the information and send it back to the BMMS Counseling Office (Room 709).
