

FRMS Title One

Parent Resource Center

Flat Rock Middle School's Parent Resource center is now open to be used by our teacher's and Title One Parents and students. We are open Monday through Friday from 9:00 until 12 noon or by appointment. The resource center provides resources that both parents and students have access to.

These resources will include but are not limited to books and DVD's on parenting, remediation books and games to help improve math and reading skills and computers and printers that can be used for homework assignments or research.

Students are also able to receive homework assistance on opening days. All resources will be available for check out to parents, students and teachers. Stop by and check out our wonderful resource center and our many tools.

Please contact D. Monique Williams at Williams.monique@mail.fcboe.org with questions or concerns.
