

Dear Parent or Guardian,

We are excited to inform you that your student is eligible to participate in our after school programs at Flat Rock Middle School. As a Title I school, we receive funds that allow us to provide additional support to our students in writing, math, reading, social studies, and science from 3:30 P.M. to 5:00 P.M. on Tuesdays.

Students have been selected based on a variety of criteria including end of the year grades, Georgia Milestones scores, and teacher recommendations. Some students have been invited to attend on multiple days. Your child has the opportunity to participate in this exciting initiative.

He/she has been identified as needing additional support in one of the content areas listed above. The purpose of the FRMS SOAR Sessions is to reinforce learning and provide extra academic support for your child. The program begins February 2, 2021, and concludes on March 30, 2021. This will allow many extra hours to provide support to your child. We are thrilled to have the opportunity to work with you and your child toward meeting and exceeding assessment standards. Please review and complete the enclosed SOAR Sessions Packet and return it to your child's homeroom teacher by Friday, December 11, 2020. There is a maximum class size, and students will be placed in the classes on a first come, first served basis.

Thank you for being a partner in your student's education.
