

Traffic Flow for Final Exam Dismissals

In order to allow you to be prepared for possible traffic jams during exam dismissals next week, we wanted to make you aware of our traffic flow. This will be in effect only at dismissals after each exam and only on 12/12 through 12/15.

If you enter Tiger Trail from HWY 54, you will only be able to pick up through the south lot (the lot by Southern Ground Amphitheater). You will need to enter the parking lot at the opening closest to the school for that lot and exit through the opening next to Southern Ground. **The entrance that is next to the construction area will be closed to traffic that day.** You will not be able to make a left turn out of the parking lot, you will only be able to turn right and head back to HWY 54.

If you enter Tiger Trail from Hood Avenue, you will make an immediate right turn next to the rec soccer fields. You will then make a left turn into the band side of the faculty parking lot and you will follow the traffic through the parking lot to pick up your student. You will have to leave the parking lot from the Tiger Trail entrance and you will not be allowed to make a right turn, only a left that will take you back to Hood Avenue. You will not be allowed to stop, you must keep moving or park in a parking space.
