Georgia Milestones and Lexile Measures

∞ **A Lexile measure** is a standard score that matches a student's reading ability with difficulty of text material. A Lexile measure can be interpreted as the level of book that a student can read with **75% comprehension**. Experts have identified a 75% comprehension level as offering the reader a certain amount of comfort and yet still offering a challenge. The Lexile map on the next slide shows Lexile measures ranging between approximately **200L and 1700L**.
