

NFE PTO

2016-2017 School Initiatives

Our Goal

The NFE PTO prides itself on being advocates for the students, parents, and faculty & staff of North Fayette Elementary.

We work rigorously to provide valuable resources and services to NFE. We are dedicated to reaching every family in our wonderfully diverse community. Whether we are volunteering in classrooms and at school events, fundraising, creating enriching programs for our students, maintaining an awesome cultural arts assembly program, purchasing items, both big and small, or advocating for our school, our students, and our staff, our work has a major impact on many aspects of the North Fayette experience.

Technological Initiative

With this in mind, we would like to kick off our Technological Initiative of purchasing 60 Chrome Books for the school.

Technological Initiative

Purchasing 60 Chrome Books would provide:

Learning simulations based on a student's learning style

- Gives students instant access to individual research, a tremendous knowledge base available at their fingertips.

Improving computer skills and boosting creativity

- Encourages the students to be more of a creative force rather than passive knowledge recipients.

Faster visualization, quicker reporting

- The Chrome Book is a great incentive for promoting scientific skills. Students can use the Chrome Book to view interactive maps while studying Social Studies or view the effects of mixing elements while learning the Periodic Table.

Live knowledge base

- The instructor can quickly deliver engaging material to the students in real time in a matter of couple clicks.

Technological Initiative

So how do we make this happen?

In order to purchase the 60 Chrome Books, we need \$29,700.00.

There are 620 students currently enrolled at NFE.

If you "Add NFE to your Holiday Gift List" and donate **\$45.00** to the purchase of the Chrome Books, we can meet this goal!

$$\frac{\$29,700}{620} = 60 \text{ Chrome Books!!}$$

Technological Initiative

So how do we make this happen?

We would like to collect the funds December 15th through February 15th!!

We would like to purchase in advance of Milestone Testing!

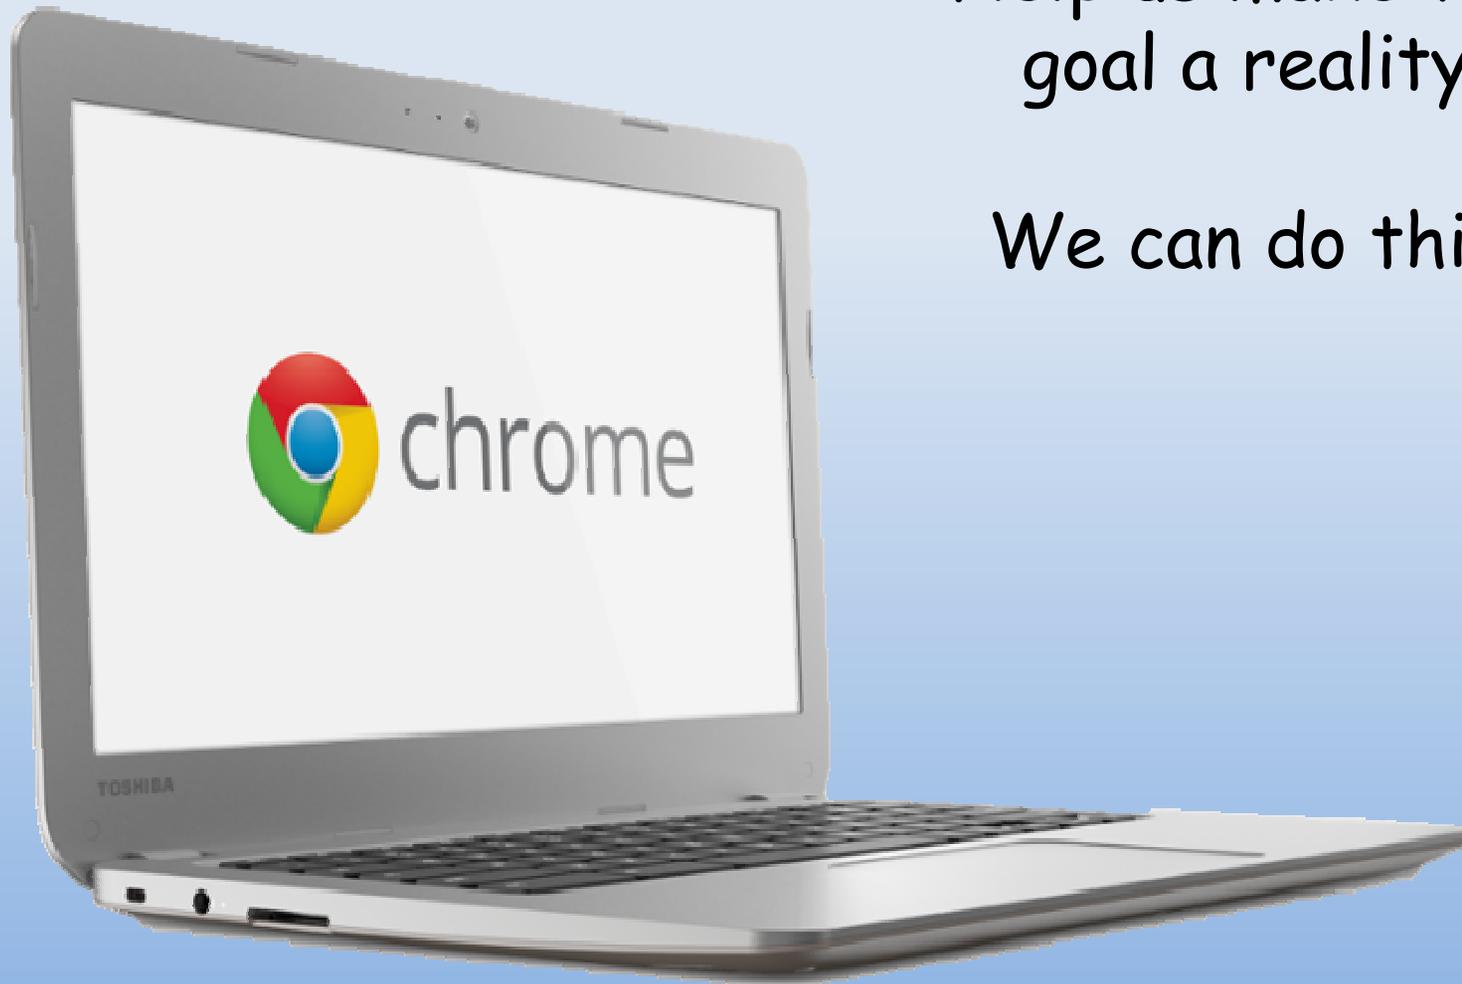

$$\frac{\$29,700}{620} = 60 \text{ Chrome Books!!}$$

Please send all ChromeBook donations to:

Fayette County Board of Education
c/o Fayette County Education Foundation

210 Stonewall Avenue
Fayetteville, GA 30214

Help us make this
goal a reality!

We can do this!
