

## *Peachtree City Elementary*

# **Bring Your Own Technology**

**B**e a good digital citizen.

Tell a trusted adult if something online makes you feel sad, scared or confused.  
Use good netiquette and be kind online.  
Keep personal information private.

**Y**ou are responsible for your own device.

Only you should touch your device.  
Charge your device at home.  
Set your device to silent mode.

**O**nly use the student Wi-Fi.

Turn off your device's Internet or Phone service. (Hint: use airplane mode.)

**T**eachers decide when & how to use devices.

Only use websites and apps that are assigned by your teacher.  
Only use your device for learning activities.  
Use your device only when your teacher gives you permission.  
If there is a substitute teacher, do not use your device.
