

News from the Gym!

Dear Parents,

Our North Fayette Elementary Community Field Day will be scheduled Friday May 19th for all grades. We will be selling Caprisun and snacks after lunch. Each item will cost 60 cents. All funds will be used for physical education equipment. This is our only fundraiser for P.E. You are welcome to come and visit during this time. If you plan to eat lunch, please let the classroom teacher know in advance. This allows the lunchroom to plan adequately.

If you can help us with a donation of Caprisun drinks for the concession stand, it would be greatly appreciated!!!!

Thanks for Your Help,

Coach Blalock
