# Comprehensive Needs Assessment
2020 - 2021 School Report

Fayette County
North Fayette Elementary School

1. PLANNING AND PREPARATION

1.1 Identification of Team

The comprehensive needs assessment team consists of people who are responsible for working collaboratively throughout the needs assessment process. Ideal team members possess knowledge of programs, the capacity to plan and implement the needs assessment, and the ability to ensure stakeholder involvement. A required team member's name may be duplicated when multiple roles are performed by the same person. Documentation of team member involvement must be maintained by the LEA. Watch the Planning and Preparation webinar for additional information and guidance.

Leadership Team

	Position/Role	Name
Team Member # 1	Principal/ School Leader	Dr. Lisa Moore
Team Member # 2	Assistant Principal	Dr. Monica Reckley
Team Member # 3	Title Contact	Dr. Claudette Lester
Team Member # 4	Parent Liaison	Ali Howard
Team Member # 5	Teacher	Kara Harrison
Team Member # 6	Paraprofessional	Jodi Forste
Team Member # 7	Teacher	Mrs. Mattingly

Additional Leadership Team

	Position/Role	Name
Team Member # 1	Teacher	Mrs. Latimar
Team Member # 2	Teacher	Mrs. Norman
Team Member # 3	Technology	Mr. Barry
Team Member # 4	RTI Specialist	Mrs. George
Team Member # 5	Counselor	Mrs. Adams
Team Member # 6	Teacher	Mrs. Williams
Team Member # 7	Media Specialist	Mrs. Pahl
Team Member # 8	Teacher	Mrs. Harper
Team Member # 9	Teacher-EIP	Mrs. Gruska
Team Member # 10		

1. PLANNING AND PREPARATION

1.2 Identification of Stakeholders

Stakeholders are those individuals with valuable experiences and perspective who will provide the team with important input, feedback, and guidance. Required stakeholders must be engaged in the process to meet the requirements of participating federal programs. Documentation of stakeholder involvement must be maintained by the LEA. Watch the Planning and Preparation webinar for additional information and guidance.

Stakeholders

	Position/Role	Name
Stakeholder # 1	Parent/ PTO	Rhea Johnson
Stakeholder # 2	Parent	Patricia Tallon
Stakeholder # 3	Parent	Courtney Kirven
Stakeholder # 4	Parent	Cadi Thomas
Stakeholder # 5	Parent	Jay Jones
Stakeholder # 6		
Stakeholder # 7		
Stakeholder # 8		

How will the team ensure that stakeholders, and in particular parents and/or guardians, were able to provide meaningful input into the needs assessment process?	All stakeholders will be invited to provide meaningful feedback throughout the CNA process through emails, break-out teams, and collaborative team discussions. A Stakeholders meeting will be held in May and emailed to all parents and stakeholders inviting them to attend and provide feedback and insight.

2. DATA COLLECTION ANALYSIS

2.1 Coherent Instructional System

Analyze the LEA's data (including sections 2.6) and answer the guiding questions to determine existing trends and patterns that support the identification of instructional needs. Complete a data-informed self-rating for each Georgia School Performance Standard (GSPS). See the Coherent Instructional System webinar for additional information and guidance.

Coherent Instruction Data

Curriculum Standard 1 -Uses systematic, collaborative planning processes so that teachers share an understanding of expectations for standards, curriculum, assessment, and instruction		
1. Exemplary	A systematic, collaborative process is used proactively for curriculum planning. Nearly all teachers or groups of teachers, support staff, and leaders within the school have common expectations for standards, curriculum, assessment, and instruction.	
2. Operational	A systematic, collaborative process is used regularly for curriculum planning. Most teachers or groups of teachers within the school have common expectations for standards, curriculum, assessment, and instruction.	✓
3. Emerging	A collaborative process is used occasionally for curriculum planning. Some teachers or groups of teachers within the school have common expectations for standards, curriculum, assessment, and instruction.	
4. Not Evident	A collaborative process is rarely, if ever, used for curriculum planning. Few, if any, teachers or groups of teachers within the school have common expectations for standards, curriculum, assessment, and instruction.	

Coherent Instruction Data

Curriculum Standard 2 -Designs curriculum documents and aligns resources with the intended rigor of the required standards		
1. Exemplary	Curriculum documents (e.g., lesson plans, unit plans, performance tasks, curriculum maps, scope, and sequence documents, guides) that are aligned with the intended rigor of the required standards are the products of a systematic, collaborative process. These curriculum documents and resources are used and continuously revised by teachers and support staff to ensure an alignment with the intended, taught, and tested standards.	
2. Operational	Curriculum documents (e.g., lesson plans, unit plans, performance tasks, curriculum maps, scope and sequence documents, guides) have been designed, and resources are aligned with the intended rigor of the required standards. These curriculum documents and resources guide the work of teachers and instructional support staff.	✓
3. Emerging	Curriculum documents and resources exist, but they are not complete in all content areas or grade levels or lack the intended rigor of the required standards	
4. Not Evident	Few, if any, curriculum documents and resources exist to support the implementation of the intended rigor of the required standards.	

Instruction Standard 1 -Provides a supportive and well -managed environment conducive to learning		
1. Exemplary	A supportive and well-managed environment conducive to learning is evident throughout the school. Students consistently stay on-task and take responsibility for their own actions.	
2. Operational	A supportive and well-managed environment conducive to learning is evident in most classrooms.	✓
3. Emerging	A supportive and well-managed environment conducive to learning is evident in some classrooms.	
4. Not Evident	A supportive and well-managed environment conducive to learning is evident in few, if any, classrooms.	

Instruction Standard 2 -Creates an academically challenging learning environment		
1. Exemplary	Nearly all teachers create an academically challenging, learning environment (e.g., higher-order thinking skills and processes, active student engagement, relevance, collaboration). Students consistently work independently and in teams to solve real-world problems that require advanced effort, decision-making, and critical and creative thinking.	
2. Operational	Most teachers create an academically challenging, learning environment (e.g., higher-order thinking skills and processes, active student engagement, relevance, collaboration).	✓
3. Emerging	Some teachers create an academically challenging learning environment.	
4. Not Evident	Few, if any, teachers create an academically challenging learning environment.	

Coherent Instruction Data

Instruction Standard 3 -Establishes and communicates clear learning targets and success criteria aligned to curriculum standards		
1. Exemplary	Nearly all teachers establish and communicate clear learning targets and success criteria aligned to the required curriculum standards. Learning targets are evident throughout the lesson and in student work. Articulation of the learning targets is consistent and pervasive among like content areas and grade levels	
2. Operational	Most teachers establish and communicate clear learning targets and success criteria aligned to the required curriculum standards. Learning targets are evident throughout the lesson and in student work.	✓
3. Emerging	Some teachers establish and communicate clear learning targets and success criteria aligned to the required curriculum standards.	
4. Not Evident	Few, if any teachers establish clear learning targets and success criteria aligned to the required curriculum standards.	

Instruction Standard 4 -Uses research based instructional practices that positively impact student learning		
1. Exemplary	Nearly all teachers pervasively demonstrate a repertoire of highly effective, research-based instructional practices that positively impact student learning (e.g., providing feedback, cooperative learning, advance organizers, questioning techniques, similarities and differences, reinforcing effort, goal setting, summarizers, graphic representations, reciprocal teaching).	
2. Operational	Most teachers demonstrate a repertoire of effective, research-based instructional practices that positively impact student learning (e.g., providing feedback, cooperative learning, advance organizers, questioning techniques, similarities and differences, reinforcing effort, goal setting, summarizers, graphic representations, reciprocal teaching).	✓
3. Emerging	Some teachers demonstrate a repertoire of effective, research-based instructional practices that positively impact student learning.	
4. Not Evident	Few, if any, teachers demonstrate a repertoire of effective, research-based instructional practices that positively impact student learning.	

Coherent Instruction Data

Instruction Standard 5 -Differentiates instruction to meet specific learning needs of students		
1. Exemplary	Nearly all teachers differentiate instruction (e.g., using flexible grouping, making adjustments, providing choices based upon readiness levels, interests, or needs) to meet the specific learning needs of students. Nearly all teachers plan and implement multiple means of representation, engagement, action, and expression to meet the learning needs of students (UDL). Remediation, enrichment, and acceleration are pervasive practices.	
2. Operational	Most teachers differentiate instruction (e.g., using flexible grouping, making adjustments, providing choices based upon readiness levels, interests, or needs) to meet the specific learning needs of students. Most teachers plan and implement multiple means of representation, engagement, action, and expression to meet the learning needs of students (UDL).	✓
3. Emerging	Some teachers differentiate instruction to meet the specific learning needs of students.	
4. Not Evident	Few, if any, teachers differentiate instruction to meet the specific learning needs of students.	

Instruction Standard 6 -Uses appropriate, current technology to enhance learning		
1. Exemplary	The use by staff members and students of appropriate, current technology to enhance learning is an institutional practice (e.g., facilitate communication, collaboration, research, design, creativity, problem-solving).	
2. Operational	Most staff members and students use appropriate, current technology to enhance learning (e.g., facilitate communication, collaboration, research, design, creativity, problem-solving).	✓
3. Emerging	Some staff members, students, or both use appropriate, current technology to enhance learning.	
4. Not Evident	Few, if any, teachers demonstrate a repertoire of effective, research-based instructional practices that positively impact student learning.	

Coherent Instruction Data

Instruction Standard 7 -Provides feedback to students on their performance on the standards or learning targets		
1. Exemplary	Nearly all teachers use the language of the standards or learning targets to provide students with specific, timely, descriptive feedback on their performance. Nearly all teachers systematically elicit diagnostic information from individual students regarding their understanding of the standards or learning targets.	
2. Operational	Most teachers use the language of the standards or learning targets to provide students with specific, timely, descriptive feedback on their performance.	✓
3. Emerging	Some teachers use the language of the standards or learning targets to provide students with specific, descriptive feedback on their performance.	
4. Not Evident	Few, if any, teachers use the language of the standards or learning targets to provide students with feedback on their performance, or the feedback that is provided is not specific, timely, or understandable.	

Instruction Standard 8 -Establishes a learning environment that empowers students to actively monitor their own progress		
1. Exemplary	Nearly all students use tools (e.g., rubrics, checklists, exemplars) to actively monitor their own progress. Nearly all students develop a sense of personal responsibility and accountability by engaging in record keeping, self-monitoring, sharing, exhibiting, and self-reflection.	
2. Operational	Most students use tools (e.g., rubrics, checklists, exemplars) to actively monitor their own progress.	✓
3. Emerging	Some students use tools to actively monitor their own progress.	
4. Not Evident	Few, if any, students use tools to actively monitor their own progress.	

Instruction Standard 9 -Provides timely, systematic, data -driven interventions		
1. Exemplary	Nearly all students are provided timely, systematic, data-driven interventions to support their learning needs. Interventions are designed to meet the needs of each student. The effectiveness of those interventions is consistently monitored and adjustments are made.	
2. Operational	Most students are provided timely, systematic, data-driven interventions to support their learning needs.	✓
3. Emerging	Some students are provided extra assistance or needed support in a timely manner.	
4. Not Evident	Few, if any, students are provided extra assistance or effective support in a timely manner.	

Coherent Instruction Data

Assessment Standard 1 -Aligns assessments with the required curriculum standards		
1. Exemplary	Nearly all assessments are aligned with the required curriculum standards. Assessments are reviewed during the school year to ensure alignment.	
2. Operational	Most assessments are aligned with the required curriculum standards.	✓
3. Emerging	Some assessments are aligned with the required curriculum standards.	
4. Not Evident	Few, if any, assessments are aligned with the required curriculum standards.	

Assessment Standard 3 -Uses common assessments aligned with the required standards to monitor student progress, inform instruction, and improve teacher practices		
1. Exemplary	Teachers consistently use common assessments aligned with the required standards in nearly all content areas, grade levels, or both for diagnostic, summative, and formative purposes. The data from the common assessments are analyzed down to the item level, and the results are used to inform instruction and improve teacher practices.	
2. Operational	Teachers use common assessments aligned with the required standards in most content areas to monitor student progress, inform instruction, and improve teacher practices.	✓
3. Emerging	Teachers use some common assessments aligned with the required standards in a few content areas with a limited amount of data analysis to monitor student progress, inform instruction, or improve teacher practices.	
4. Not Evident	Teachers use few, if any, common assessments to monitor student progress, inform instruction, or improve teacher practices.	

Assessment Standard 4 -Implements a process to collaboratively analyze assessment results to adjust instruction		
1. Exemplary	Teachers extensively use a systematic, collaborative process to analyze assessment results. Instruction is consistently adjusted based on the analysis of assessment results across all content areas, grade levels, or both.	
2. Operational	Teachers regularly use a collaborative process to analyze assessment results. Instruction is routinely adjusted based on the analysis of assessment results.	✓
3. Emerging	Teachers occasionally use a collaborative process to analyze assessment results. Instruction is sometimes adjusted based on the analysis of assessment results.	
4. Not Evident	A collaborative process to analyze assessment results does not exist. Instruction is rarely, if ever, adjusted based on the analysis of assessment results.	

Coherent Instruction Data

Assessment Standard 5 -Implements grading practices that provide an accurate indication of student progress on the required standards		
1. Exemplary	The grading practices used by teachers across nearly all content areas, grade levels, or both, consistently provide an accurate indication of student progress on the required standards.	
2. Operational	The grading practices used by teachers in most content areas, grade levels, or both provide an accurate indication of student progress on the required standards.	✓
3. Emerging	The grading practices used by teachers in some content areas, grade levels, or both provide an accurate indication of student progress on the required standards.	
4. Not Evident	The grading practices used by teachers rarely, if ever, provide an accurate indication of student progress on the required standards.	

2. DATA COLLECTION ANALYSIS

2.2 Effective Leadership

Analyze the LEA's data (including sections 2.6) and answer the guiding questions to determine existing trends and patterns that support the identification of leadership needs. Complete a data-informed self-rating for each Georgia School Performance Standard (GSPS). See the Effective Leadership webinar for additional information and guidance.

Effective Leadership Data

Leadership Standard 1 -Builds and sustains relationships to foster the success of students and staff		
1. Exemplary	Administrators consistently build and sustain relationships to foster the success of students and staff. The school staff is fully engaged in relationship building through collaboration, internal and external communication, and building trust with staff, students, families, and community stakeholders.	
2. Operational	Administrators regularly build and sustain relationships to foster the success of students and staff.	✓
3. Emerging	Administrators sometimes build relationships to foster the success of students and staff.	
4. Not Evident	Administrators seldom, if ever, build relationships to foster the success of students and staff.	

Leadership Standard 2 -Initiates and manages change to improve staff performance and student learning		
1. Exemplary	Administrators, the school leadership team, and other teacher leaders initiate and sustain change to improve staff performance and student learning. Administrators, the school leadership team, and other teacher leaders create a sense of urgency for change and effectively communicate a common vision.	
2. Operational	Administrators and the school leadership team initiate and sustain change to improve staff performance and student learning. The principal provides an appropriate balance of pressure and support to manage the change process for desired results.	✓
3. Emerging	Administrators initiate change to improve staff performance and student learning but do not sustain the change, remove barriers, or both.	
4. Not Evident	Administrators initiate few, if any, changes that impact staff performance and student learning.	

Effective Leadership Data

Leadership Standard 3 -Uses systems to ensure effective implementation of curriculum, assessment, instruction, and professional learning practices		
1. Exemplary	The principal and other school leaders continually use systems to ensure effective implementation of curriculum, assessment, instruction, and professional learning practices. The principal and other school leaders have a comprehensive knowledge and understanding of the best practices for curriculum, assessment, instruction, and professional learning.	
2. Operational	The principal and other school leaders often use systems to ensure effective implementation of curriculum, assessment, instruction, and professional learning practices.	✓
3. Emerging	The principal and other school leaders occasionally use systems to ensure effective implementation of curriculum, assessment, instruction, and professional learning practices.	
4. Not Evident	The principal and other school leaders rarely, if ever, use systems to ensure effective implementation of curriculum, assessment, instruction, and professional learning practices.	

Leadership Standard 4 -Uses processes to systematically analyze data to improve student achievement		
1. Exemplary	Extensive, comprehensive processes, including root cause analysis, are used consistently to analyze data (e.g., multiple sources of data: classroom, grade level, departmental, and subgroup, perception data) to improve student achievement.	
2. Operational	Numerous processes are used frequently to analyze data (e.g., multiple sources of data: classroom, grade level, departmental, and subgroup, perception data) to improve student achievement.	✓
3. Emerging	Some processes are in place and used occasionally to analyze data to improve student achievement.	
4. Not Evident	Few, if any, processes are in place to analyze data to improve student achievement.	

Leadership Standard 5 -Builds leadership capacity through shared decision-making and problem-solving		
1. Exemplary	Extensive structures exist for staff to engage in shared decision-making and problem-solving and to build their leadership capacities. Administrators collaborate consistently with staff members to gather input.	
2. Operational	Numerous structures exist for staff to engage in shared decision-making and problem-solving and to build their leadership capacities.	✓
3. Emerging	Some structures exist for staff to engage in shared decision-making, problem-solving, or both.	
4. Not Evident	Few, if any, structures exist for staff to engage in shared decision-making or problem-solving.	

Effective Leadership Data

Leadership Standard 6 -Establishes and supports a data-driven school leadership team that is focused on student learning		
1. Exemplary	A highly effective, proactive, and data-driven school leadership team is focused on student learning. The leadership team addresses nearly all areas of student and staff learning and school leadership, including the development, implementation, and regular monitoring of the school improvement plan.	
2. Operational	A data-driven school leadership team is established with stakeholder representation (e.g., core and non-core teachers, certified support staff) and is focused on student learning. The school leadership team meets regularly and uses norms and protocols to work effectively and efficiently.	✓
3. Emerging	The school leadership team is established and has some stakeholder representation but is focused chiefly on school operations rather than student learning.	
4. Not Evident	A school leadership team does not exist or does not have adequate stakeholder representation.	

Leadership Standard 7 -Monitors and evaluates the performance of teachers and other staff using multiple data sources		
1. Exemplary	Monitoring the performance of teachers and other staff through observations, surveys, data, and documentation is consistent and comprehensive, resulting in highly accurate performance evaluations. A comprehensive system is in place to provide teachers and staff with ongoing, accurate, timely, detailed, descriptive feedback related to their performance. Administrators use the evaluation process to identify role models, teacher leaders, or both.	
2. Operational	Monitoring the performance of teachers and other staff regularly occurs using data or documentation, generally resulting in accurate performance evaluations. Teachers and staff receive accurate, timely, descriptive feedback related to their performance.	✓
3. Emerging	Monitoring the performance of teachers and other staff is inconsistent, incomplete, or lacks data or documentation, sometimes resulting in inaccurate performance evaluations. Teachers and staff receive some descriptive feedback related to their performance.	
4. Not Evident	Monitoring the performance of teachers and other staff rarely occurs or often results in inaccurate performance evaluations. Teachers and staff receive little or no descriptive feedback related to their performance.	

Effective Leadership Data

Leadership Standard 8 -Provides ongoing support to teachers and other staff		
1. Exemplary	A comprehensive support system that is timely and targeted to individual needs is provided to teachers and other staff.	
2. Operational	Most support provided to teachers and other staff is targeted to individual needs.	✓
3. Emerging	Some support provided to teachers and staff is targeted to individual needs.	
4. Not Evident	Support to teachers and staff does not exist or is not targeted to individual needs.	

Planning and Organization Standard 1 -Shares a common vision and mission that define the school culture and guide the continuous improvement process		
1. Exemplary	A common vision and mission have been collaboratively developed and communicated to nearly all stakeholders. The culture of the school has been deeply defined over time by the vision and mission, which are updated as needed. The daily work and practices of staff consistently demonstrate a sustained commitment to continuous improvement.	
2. Operational	A common vision and mission have been developed through a collaborative process and communicated to most stakeholders. The vision and mission define the culture of the school and guide the continuous improvement process.	✓
3. Emerging	A common vision and mission have been developed by some staff members but have not been effectively communicated so that they guide the continuous improvement process.	
4. Not Evident	A common vision and mission have not been developed or updated or have been developed by a few staff members.	

Effective Leadership Data

Planning and Organization Standard 2 -Uses a data-driven and consensus-oriented process to develop and implement a school improvement plan that is focused on student performance		
1. Exemplary	A school improvement plan has been developed using a data-driven and consensus-oriented process with input from nearly all stakeholders. The plan includes appropriate goals and strategies with a strong focus on increasing student performance. This process and plan consistently guide the work of the school staff.	
2. Operational	A school improvement plan has been developed using a data-driven and consensus-oriented process with input from most plan stakeholders. The plan includes appropriate goals and strategies with a focus on increasing student performance.	✓
3. Emerging	A school improvement plan has been developed with input from some stakeholders. The school improvement plan is based on incomplete data analysis with limited focus on student performance.	
4. Not Evident	An up-to-date, data-driven school improvement plan focused on student performance is not in place.	

Planning and Organization Standard 3 -Monitors implementation of the school improvement plan and makes adjustments as needed		
1. Exemplary	The goals and strategies of the school improvement plan are continually monitored by administrators, the school leadership team, and teacher leaders to evaluate the impact on student performance. Ongoing adjustments are made based on various performance, process, and perception data.	
2. Operational	he goals and strategies of the school improvement plan are regularly monitored by administrators and the school leadership team to evaluate the impact on student performance. Adjustments are made to the plan, as needed, based on the analysis of data.	✓
3. Emerging	The goals and strategies of the school improvement plan are occasionally monitored by administrators.	
4. Not Evident	The goals and strategies of the school improvement plan are rarely, if ever, monitored.	

Effective Leadership Data

Planning and Organization Standard 4 -Monitors the use of available resources to support continuous improvement		
1. Exemplary	The use of available resources (e.g., personnel, time, facilities, equipment, materials) to support continuous improvement is consistently monitored. School schedules and processes are designed to make effective use of personnel, time, materials, and equipment.	
2. Operational	The use of available resources (e.g., personnel, time, facilities, equipment, materials) to support continuous improvement is frequently monitored.	✓
3. Emerging	The use of available resources to support continuous improvement is inconsistently monitored.	
4. Not Evident	The use of available resources to support continuous improvement is rarely, if ever, monitored.	

Planning and Organization Standard 5 -Develops, communicates, and implements rules, policies, schedules, and procedures to maximize student learning and staff effectiveness		
1. Exemplary	Rules, policies, schedules, and procedures are developed with stakeholder input, effectively communicated, and consistently implemented throughout the school to maximize student learning and staff effectiveness. These rules, policies, schedules, and procedures are consistently reviewed and revised as needed.	
2. Operational	Rules, policies, schedules, and procedures are developed, communicated, and implemented throughout the school to maximize student learning and staff effectiveness. These rules, policies, schedules, and procedures are periodically reviewed and systematically revised as needed.	✓
3. Emerging	Rules, policies, schedules, and procedures are developed but are not effectively communicated or are implemented inconsistently across the school.	
4. Not Evident	Rules, policies, or procedures are not developed, are poorly communicated, or are ineffectively implemented. In some cases, rules, policies, schedules, or procedures are out of date or have become barriers to student learning or staff effectiveness.	

Effective Leadership Data

Planning and Organization Standard 6 -Uses protocols to maintain the school campus and equipment providing a safe, clean, and inviting learning environment		
1. Exemplary	Protocols (e.g., safety drills, tornado drills, inclement weather plans, current crisis plan, school-wide safety plan, maintenance protocols, facility-use protocols, functional custodial schedules) are used extensively to maintain the school campus and equipment providing a safe, clean, and inviting learning environment. A proactive maintenance process is in place, and repairs are completed in a satisfactory and timely manner, when needed.	
2. Operational	Protocols (e.g., safety drills, tornado drills, inclement weather plans, current crisis plan, school-wide safety plan, maintenance protocols, facility-use protocols, functional custodial schedules) are used to maintain the school campus and equipment providing a safe, clean, and inviting learning environment. The school and campus are clean, well-maintained, inviting, and safe.	✓
3. Emerging	Protocols are sometimes used to maintain the school campus and equipment. The school and campus are partially clean, maintained, and inviting, but some safety issues exist.	
4. Not Evident	Protocols do not exist or are rarely, if ever, used to maintain the school campus and equipment. The school and campus are not clean, maintained, or inviting, and safety issues exist.	

2. DATA COLLECTION ANALYSIS

2.3 Professional Capacity

Analyze the LEA's data (including sections 2.6) and answer the guiding questions to determine existing trends and patterns that support the identification of professional capacity needs. Complete a data-informed self-rating for each Georgia School Performance Standard (GSPS). See the Professional Capacity webinar for additional information and guidance.

Professional Capacity Data

Leadership Standard 5 -Builds leadership capacity through shared decision-making and problem-solving		
1. Exemplary	Extensive structures exist for staff to engage in shared decision-making and problem-solving and to build their leadership capacities. Administrators collaborate consistently with staff members to gather input.	
2. Operational	Numerous structures exist for staff to engage in shared decision-making and problem-solving and to build their leadership capacities.	✓
3. Emerging	Some structures exist for staff to engage in shared decision-making, problem-solving, or both.	
4. Not Evident	Few, if any, structures exist for staff to engage in shared decision-making or problem-solving.	

Professional Learning Standard 1 -Aligns professional learning with needs identified through analysis of a variety of data		
1. Exemplary	Professional learning needs are identified and differentiated through a collaborative analysis process using a variety of data (e.g., student achievement data, examination of student work, process data, teacher and leader effectiveness data, action research data, perception data from students, staff, and families). Ongoing support is provided through differentiated professional learning.	
2. Operational	Professional learning needs are identified through a collaborative analysis process using a variety of data (e.g., student achievement data, examination of student work, process data, teacher and leader effectiveness data, action research data, perception data from students, staff, and families).	✓
3. Emerging	Professional learning needs are identified using limited sources of data.	
4. Not Evident	Professional learning needs are identified using little or no data.	

Professional Capacity Data

Professional Learning Standard 2 -Establishes a culture of collaboration among administrators and staff to enhance individual and collective performance		
1. Exemplary	Administrators and staff, as a foundational practice, consistently collaborate to support leadership and personal accountability and to enhance individual and collective performance (e.g., construct knowledge, acquire skills, refine practice, provide feedback). Teachers conduct action research and assume ownership of professional learning processes.	
2. Operational	Administrators and staff routinely collaborate to improve individual and collective performance (e.g., construct knowledge, acquire skills, refine practice, provide feedback).	✓
3. Emerging	Administrators and staff sometimes collaborate to improve individual and collective performance.	
4. Not Evident	Administrators and staff rarely collaborate to improve individual and collective performance.	

Professional Learning Standard 3 -Defines expectations for implementing professional learning		
1. Exemplary	Administrators, teacher leaders, or both consistently define expectations for the implementation of professional learning, including details regarding the stages of implementation and how monitoring will occur as implementation progresses.	
2. Operational	Administrators, teacher leaders, or both regularly define expectations for the implementation of professional learning.	✓
3. Emerging	Administrators, teacher leaders, or both occasionally define expectations for the implementation of professional learning.	
4. Not Evident	Administrators, teacher leaders, or both rarely, if ever, define expectations for the implementation of professional learning.	

Professional Capacity Data

Professional Learning Standard 4 -Uses multiple professional learning designs to support the various learning needs of the staff		
1. Exemplary	Staff members actively participate in job-embedded professional learning that engages collaborative teams in a variety of appropriate learning designs (e.g., collaborative lesson study, analysis of student work, problem solving sessions, curriculum development, coursework, action research, classroom observations, online networks). Professional learning includes extensive follow-up with descriptive feedback and coaching.	
2. Operational	Staff members actively participate in professional learning, most of which is job-embedded, which includes multiple designs (e.g., collaborative lesson study, analysis of student work, problem-solving sessions, curriculum development, coursework, action research, classroom observations, online networks) to support their various learning needs. Professional learning includes follow-up with feedback and coaching.	✓
3. Emerging	Some staff members are engaged in professional learning that makes use of more than one learning design to address their identified needs.	
4. Not Evident	Staff members receive single, stand-alone professional learning events that are informational and mostly large-group presentation designs.	

Professional Learning Standard 5 -Allocates resources and establishes systems to support and sustain effective professional learning		
1. Exemplary	Extensive resources (e.g., substitute teachers, materials, handouts, tools, stipends, facilitators, technology) and systems (e.g., conducive schedules, adequate collaborative time, model classrooms) are allocated to support and sustain effective professional learning. Opportunities to practice skills, receive follow-up, feedback, and coaching are provided to support the effectiveness of professional learning.	
2. Operational	Adequate resources (e.g., substitute teachers, materials, handouts, tools, stipends, facilitators, technology) and systems (e.g., conducive schedules, adequate collaborative time, model classrooms) are in place to support and sustain professional learning.	✓
3. Emerging	Some resources and systems are allocated to support and sustain professional learning.	
4. Not Evident	Few, if any, resources and systems are provided to support and sustain professional learning.	

Professional Capacity Data

Professional Learning Standard 6 -Monitors and evaluates the impact of professional learning on staff practices and student learning		
1. Exemplary	Monitoring and evaluating the impact of professional learning on staff practices and increases in student learning occurs extensively. Evaluation results are used to identify and implement processes to extend student learning.	
2. Operational	Monitoring and evaluating the impact of professional learning on staff practices and student learning occurs routinely.	✓
3. Emerging	Monitoring and evaluating the impact of professional learning on staff practices occurs sporadically.	
4. Not Evident	Monitoring and evaluating the impact of professional learning on staff practices occurs rarely, if ever.	

2. DATA COLLECTION ANALYSIS

2.4 Family and Community Engagement

Analyze the LEA's data (including sections 2.6) and answer the guiding questions to determine existing trends and patterns that support the identification of needs related to family and community engagement. Complete a data-informed self-rating for each Georgia School Performance Standard (GSPS). See the Family and Community Engagement webinar for additional information and guidance. Visit Georgia's Family Connection Partnership's KIDS COUNT for additional data.

Family and Community Engagement Data

Family and Community Engagement Standard 1 -Creates an environment that welcomes, encourages, and connects family and community members to the school		
1. Exemplary	The school has a well-established, inviting learning environment that welcomes, encourages, and connects family and community members to the school. Numerous opportunities are given to family members to become actively engaged in school-related events and improvement efforts as participants, event managers, and workers.	
2. Operational	The school has created an environment that welcomes, encourages, and connects family and community members to the school.	✓
3. Emerging	The school has made some progress toward creating an environment that welcomes, encourages, and connects family and community members to the school.	
4. Not Evident	The school has not created an environment that welcomes, encourages, or connects family and community members to the school.	

Family and Community Engagement Standard 2 -Establishes structures that promote clear and open communication between the school and stakeholders		
1. Exemplary	Extensive structures that promote clear and open communication between the school and stakeholders have been effectively established and implemented. Structures are continuously monitored for reliable and interactive communication.	
2. Operational	Most structures that promote clear and open communication between the school and stakeholders have been effectively established and implemented.	✓
3. Emerging	Some structures that promote clear and open communication between the school and stakeholders exist.	
4. Not Evident	Few, if any, structures that promote clear and open communication between the school and stakeholders exist.	

Family and Community Engagement Data

Family and Community Engagement Standard 3 -Establishes relationships and decision-making processes that build capacity for family and community engagement in the success of students		
1. Exemplary	A wide variety of relationships and collaborative decision-making processes (e.g., business partnerships, school councils, parent or family organizations, academic and extra-curricular booster clubs, civic organizations, tutoring services, post-secondary partnerships) are pervasive in promoting student success and well being. Expectations for family and community engagement are embedded in the culture and result in stakeholders being actively involved in decision-making.	
2. Operational	Numerous relationships and decision-making processes (e.g., business partnerships, school councils, parent or family organizations, academic and extra-curricular booster clubs, civic organizations, tutoring services) effectively build capacity for family and community engagement in the success of students.	✓
3. Emerging	Limited relationships and decision-making processes have been initiated by the school to build capacity for family and community engagement.	
4. Not Evident	Relationships and decision-making processes for families and the community are non-existent, or those that do exist contribute minimally to student success.	

Family and Community Engagement Standard 4 -Communicates academic expectations and current student achievement status to families		
1. Exemplary	The school staff provides families with ongoing, detailed academic expectations and/or graduation status (e.g., four-year graduation plans, syllabi, academic advisement protocols). Extensive communication related to the current achievement level of individual students is provided (e.g., progress reports, student-led parent conferences, report cards, reading level reports, state test reports, school-based assessment reports, online reporting system).	
2. Operational	The school staff communicates academic expectations and/or graduation status (e.g., four-year graduation plans, syllabi, academic advisement protocols) throughout the year. Regular communication related to the current achievement level of individual students is provided (e.g., progress reports, parent conferences, report cards, reading level reports, state test reports, school-based assessment reports, online reporting system).	✓
3. Emerging	The school staff communicates some academic expectations at the start of the year. Some communication related to the current achievement level of individual students is provided.	
4. Not Evident	The school staff does little to inform families of academic expectations. Little, if any, communication related to the current achievement level of individual students is provided.	

Family and Community Engagement Data

Family and Community Engagement Standard 5 -Develops the capacity of families to use support strategies at home that will enhance academic achievement		
1. Exemplary	The school continually develops the capacity (e.g., parent training, lunch and learn, make-it and take-it) of families to use support strategies at home that will enhance academic achievement.	
2. Operational	The school frequently develops the capacity (e.g., parent training, lunch and learn, make-it and take-it) of families to use support strategies at home that will enhance academic achievement.	✓
3. Emerging	The school occasionally develops the capacity of families to use support strategies at home that will enhance academic achievement.	
4. Not Evident	The school seldom, if ever, develops the capacity of families to use support strategies at home that will enhance academic achievement.	

Family and Community Engagement Standard 6 -Connects families with agencies and resources in the community to meet the needs of students		
1. Exemplary	The school has a systematic process in place to connect families with an array of agencies and resources (e.g., Y-Clubs, after-school programs, health and counseling services, community service agencies, civic organizations, tutoring services) to meet the needs of students.	
2. Operational	The school regularly connects families to agencies and resources in the community (e.g., Y-Clubs, after-school programs, health and counseling services, community service agencies, civic organizations, tutoring services) to meet the needs of students.	✓
3. Emerging	The school sometimes connects families to agencies and resources in the community to meet the needs of students.	
4. Not Evident	The school does little to connect families with agencies and resources in the community to meet the needs of students.	

2. DATA COLLECTION ANALYSIS

2.5 Supportive Learning Environment

Analyze the LEA's data (including sections 2.6) and answer the guiding questions to determine existing trends and patterns that support the identification of needs related to a supportive learning environment. Complete a data-informed self-rating for each Georgia School Performance Standard (GSPS). Student subgroups with a count of less than 15 are denoted by "TFS" (too few students). See the Supportive Learning Environment webinar for additional information and guidance.

Supportive Learning Environment Data

Instruction Standard 1 -Provides a supportive and well-managed environment conducive to learning		
1. Exemplary	A supportive and well-managed environment conducive to learning is evident throughout the school. Students consistently stay on-task and take responsibility for their own actions.	
2. Operational	A supportive and well-managed environment conducive to learning is evident in most classrooms.	✓
3. Emerging	A supportive and well-managed environment conducive to learning is evident in some classrooms.	
4. Not Evident	A supportive and well-managed environment conducive to learning is evident in few, if any, classrooms.	

Instruction Standard 2 -Creates an academically challenging learning environment		
1. Exemplary	Nearly all teachers create an academically challenging, learning environment (e.g., higher-order thinking skills and processes, active student engagement, relevance, collaboration). Students consistently work independently and in teams to solve real-world problems that require advanced effort, decision-making, and critical and creative thinking.	
2. Operational	Most teachers create an academically challenging, learning environment (e.g., higher-order thinking skills and processes, active student engagement, relevance, collaboration).	✓
3. Emerging	Some teachers create an academically challenging learning environment.	
4. Not Evident	Few, if any, teachers create an academically challenging learning environment.	

Supportive Learning Environment Data

Instruction Standard 8 -Establishes a learning environment that empowers students to actively monitor their own progress		
1. Exemplary	Nearly all students use tools (e.g., rubrics, checklists, exemplars) to actively monitor their own progress. Nearly all students develop a sense of personal responsibility and accountability by engaging in record keeping, self-monitoring, sharing, exhibiting, and self-reflection.	
2. Operational	Most students use tools (e.g., rubrics, checklists, exemplars) to actively monitor their own progress.	✓
3. Emerging	Some students use tools to actively monitor their own progress.	
4. Not Evident	Few, if any, students use tools to actively monitor their own progress.	

School Culture Standard 1 -Develops, communicates, and implements rules, practices, and procedures to maintain a safe, orderly learning environment		
1. Exemplary	Rules, practices, and procedures that maintain a safe, orderly learning environment are proactively developed, communicated, and consistently implemented across the school. These rules, practices, and procedures are continually monitored and revised as needed.	
2. Operational	Rules, practices, and procedures that maintain a safe, orderly learning environment are developed, communicated, and implemented.	✓
3. Emerging	Rules, practices, and procedures are developed and communicated but are ineffective or inconsistently implemented across the school.	
4. Not Evident	Rules, practices, and procedures that maintain a safe, orderly, learning environment are not developed nor updated or are poorly communicated.	

Supportive Learning Environment Data

School Culture Standard 2 -Establishes a culture of trust and respect that promotes positive interactions and a sense of community		
1. Exemplary	Extensive evidence (e.g., positive and respectful interactions, appreciation of diversity, tolerance, understanding) exists that a culture of trust and respect has been established. A pervasive commitment to promoting positive interactions and a sense of community is evident.	
2. Operational	Evidence (e.g., positive and respectful interactions, appreciation of diversity, tolerance, understanding) exists that a culture of trust and respect has been established. A sustained commitment to promoting positive interactions and a sense of community is evident.	✓
3. Emerging	Some evidence exists that a culture of trust and respect has been established. A limited commitment to promoting positive interactions and a sense of community is evident.	
4. Not Evident	Little or no evidence exists that a culture of trust and respect has been established. Unresolved conflicts interfere with a sense of community.	

School Culture Standard 3 -Establishes a culture that supports the college and career readiness of students		
1. Exemplary	Extensive evidence (e.g., advisement, career counseling, transition coaching, high expectations) exists that the beliefs and practices of the school support the college and career readiness of students. The school culture supports addressing individual achievement needs and strengths to prepare students for success.	
2. Operational	Evidence (e.g., advisement, career counseling, transition coaching, high expectations) exists that the beliefs and practices of the school support the college and career readiness of students.	✓
3. Emerging	Some evidence exists that the school supports the college and career readiness of students.	
4. Not Evident	Little or no evidence exists that the school supports the college and career readiness of students.	

Supportive Learning Environment Data

School Culture Standard 4 -Supports the personal growth and development of students		
1. Exemplary	The school staff consistently provides a comprehensive system of support (e.g., counseling, mentoring, advisement, coaching, goal setting, time management, problem solving) to maximize the personal growth and development of nearly all students.	
2. Operational	The school staff regularly provides support (e.g., counseling, mentoring, advisement, coaching, goal setting, time management, problem solving) to enhance the personal growth and development of students.	✓
3. Emerging	The school staff sporadically supports the personal growth and development of students.	
4. Not Evident	The school staff does little to support the personal growth and development of students.	
School Culture Standard 5 -Recognizes and celebrates achievements and accomplishments of students and staff		
1. Exemplary	The school community consistently recognizes and celebrates the achievements and accomplishments of students and staff. The celebrations are publicized within the school and to the community and support the culture of the school.	
2. Operational	The school community regularly recognizes and celebrates the achievements and accomplishments of students and staff.	✓
3. Emerging	The school community periodically recognizes or celebrates the achievements or accomplishments of students and/or staff.	
4. Not Evident	The school community rarely, if ever, recognizes or celebrates the achievements or accomplishments of students or staff.	

Supportive Learning Environment Data

Planning and Organization Standard 1 -Shares a common vision and mission that define the school culture and guide the continuous improvement process		
1. Exemplary	A common vision and mission have been collaboratively developed and communicated to nearly all stakeholders. The culture of the school has been deeply defined over time by the vision and mission, which are updated as needed. The daily work and practices of staff consistently demonstrate a sustained commitment to continuous improvement.	
2. Operational	A common vision and mission have been developed through a collaborative process and communicated to most stakeholders. The vision and mission define the culture of the school and guide the continuous improvement process.	✓
3. Emerging	A common vision and mission have been developed by some staff members but have not been effectively communicated so that they guide the continuous improvement process.	
4. Not Evident	A common vision and mission have not been developed or updated or have been developed by a few staff members.	

2. DATA COLLECTION ANALYSIS

2.6 Data Analysis Questions

Analyze the LEA's data and answer the guiding questions to determine existing trends and patterns that support the identification of demographic and financial needs. Student subgroups with a count of less than 15 are denoted by "TFS" (too few students).

What perception data did you use? [examples: student perceptions about school climate issues (health survey, violence, prejudice, bullying, etc.); student/parent perceptions about the effectiveness of programs or interventions; student understanding of relationship of school to career or has an academic plan]	The team utilized various data tools that includes: CCRPI School Climate Surveys, Title I surveys, SWISS Data, Monthly PBIS data, previous TKES evaluations, previous years Milestone scores, STAR Math, Reading Inventory, RTI notes, and leadership notes,

What does the perception data tell you? (perception data can describe people's knowledge, attitudes, beliefs, perceptions, competencies; perception data can also answer the question "What do people think they know, believe, or can do?")	The trends that were noticed include: consistency of collaboration within the grade levels.; grade levels have worked together effectively and come up with a plan to utilize a mandatory weekly collaboration. Grade levels that have a strong collaboration need to look at their data to see how much growth of students. Utilize student data to inform and adjust instructional needs. PD is based on needs of students, teachers and leaders. While there are many structures in place and available to support the instructional program and identify needs, some processes are more mature than others. Raising student academic achievement using benchmark and Interim assessments, continued work in refining progress monitoring and RTI process are patterns to continue to utilize.

What process data did you use? (examples: student participation in school activities, sports, clubs, arts; student participation in special programs such as peer mediation, counseling, skills conferences; parent/student participation in events such as college information meetings and parent workshops)	Weekly Dolphin Dish Emails, CCRPI School Climate Survey, Title I Survey, Principals weekly Newsletter, Faculty Meetings, Leadership Agendas

What does the process data tell you? (process data describes the way programs are conducted; provides evidence of participant involvement in programs; answers the question "What did you do for whom?")	Opportunity for teams to have time for vertical planning. Opportunities for professional development in areas of needs. Systematic school-wide safety and discipline plan. Teachers also collaborate in providing ongoing support, fostering innovation/flexibility, employing technology, and fostering-Collaboration. Multiple teams support & drive vision and direction of NFES.

What achievement data did you use?	Meeting agendas, sign in sheets, Literacy Collaboration, surveys, literacy team , grade level professional learning communities and grade level ongoing professional development

What does your achievement data tell you?	Our trends include: Teachers are not prepared for student population (student's lack foundation skills as well as social and structural skills. Communication among some grade levels with parents needs strengthening, Professional learning on differentiation of instruction is needed to improve student achievement. Through coaching, teachers learn to reflect on the effectiveness of their teaching. Research reveals that ongoing, job embedded teacher professional learning is the critical factor in making a difference in student learning. This includes culturally responsive training for staff.

What demographic data did you use?	Blackboard/IC communication, Mrs. Moore's Weekly newsletter, Parent Council Meeting, Success Night, News letters, Parent Center/ Parent Liaison, Bulletin Boards, One on one parent feedback, surveys, volunteer logs, and sign in sheets.

What does the demographic data tell you?	Trends include: Parents are disconnected; Need for more community sponsors; Utilize teachers to support parents. It is often difficult for parents/families to be engaged in school activities. The continued use of dedicated family support personnel, such as counselors, family engagement coordinators, and social workers, the importance placed on community partnerships, and the use of specially designed supports and experiences for students and their families, lead to the identification of student, teacher, and leader needs

3. NEEDS IDENTIFICATION AND ROOT CAUSE ANALYSIS

3.1 Strengths and Challenges Based on Trends and Patterns

Read the trends and patterns summaries from each section of the data analysis process. Use the information in these summaries to complete 3.2 and 3.3. Using the summaries in 3.1 and other local data, describe the strengths and challenges or answer the guiding questions for each program. Include strengths and challenges related to: a) general program implementation, and b) students and adults involved in or affected by the program. Focus on strengths and challenges that will assist in the identification of needs during 3.2. Watch the Identifying Need webinar for additional information and guidance.

Strengths and Challenges Based on Trends and Patterns

Coherent Instructional:Summarize the coherent instructional system trends and patterns observed by the team while completing this section of the report. What are the important trends and patterns that will support the identification of student, teacher, and leader needs?	The trends that were noticed include: Grade levels need to continue strengthening their PLC. Grade levels that have a strong collaboration need to review their data to see how much growth students made. Utilize student data to inform and adjust instructional needs. Teachers also need to develop a true understanding of differentiation of instruction and implement into the learning. PD is based on needs of students, teachers and leaders. While there are many structures in place and available to support the instructional program and identify needs, some processes are more mature than others. Raising student academic achievement using benchmark and Interim assessments, continued work in refining progress monitoring and RTI process are patterns to continue to utilize.
Effective Leadership:Summarize the effective leadership trends and patterns observed by the team while completing this section of the report. What are the important trends and patterns that will support the identification of student, teacher, and leader needs?	Opportunity for teams to have time for vertical planning. Opportunities for professional development in areas of needs. Systematic school-wide safety and discipline plan. Teachers also collaborate in providing ongoing support, fostering innovation/flexibility, employing technology, and fostering-Collaboration. Multiple teams support & drive vision and direction of NFES.
Professional Capacity:Summarize the professional capacity trends and patterns observed by the team while completing this section of the report. What are the important trends and patterns that will support the identification of student, teacher, and leader needs?	Our trends include: Communication of some teachers with parents and faculty members could be stronger. Collaboration is growing among the teachers with the utilization of PLC. The use of differentiation of instruction continues to be a primary focus within the classroom. Professional learning needs to be meaningful and job embedded in order to improve student achievement. Through coaching, teachers learn to reflect on the effectiveness of their teaching. Research reveals that ongoing, job embedded teacher training is the critical factor in making a difference in student learning.

Strengths and Challenges Based on Trends and Patterns

Family and Community Engagement: Summarize the family and community engagement trends and patterns observed by the team while completing this section of the report. What are the important trends and patterns that will support the identification of student, teacher, and leader needs?	Trends include: Parents are disconnected Need for more community sponsors Utilize teachers to support parents It is often difficult for parents/families to be engaged in school activities. The continued use of dedicated family support personnel such as counselors, family engagement coordinators, and social workers, the importance placed on community partnerships, and the use of specially designed supports and experiences for students and their families all lead to the identification of student, teacher, and leader needs.

Supportive Learning Environment: Summarize the supportive learning environment trends and patterns observed by the team while completing this section of the report. What are the important trends and patterns that will support the identification of student, teacher, and leader needs?	lack of cohesive behavior plan. Clear defined steps for implementing vision/ mission Differentiated instruction Maintaining order and safety Teachers and parents feel safe at the school

Demographic and Financial: Summarize the demographic and financial trends and patterns observed by the team while completing this section of the report. What are the important trends and patterns that will support the identification of student, teacher, and leader needs?	Trends and patterns observed by the team are: Class sizes continue to overwhelming, inability to retain qualified teachers, wide variance in the academic needs of students, High number of poverty students.

Student Achievement: Summarize the student achievement trends and patterns observed by the team while completing this section of the report. What are the important trends and patterns that will support the identification of student, teacher, and leader needs?	Rigor Differentiated instruction Collaboration Training with time to implement strategies. NFES needs to focus on test genre, Depth of Knowledge, and rigor of instruction with the overall goal of better achievement overtime. Also there needs to focus on data to help drive instruction. Teachers need to meet collaboaratively and review data and plan effective strategies to support and enrich student learning.

IDEA – Special Education, Economically Disadvantaged Children, and English Learners.

Using the summaries in 3.1 and other local data, describe the strengths and challenges or answer the guiding questions for each program. Include strengths and challenges related to: a) general program implementation, and b) students and adults involved in or affected by the program. Focus on strengths and challenges that will assist in the identification of needs during 3.3. Watch the Identifying Need webinar for additional information and guidance.

Strengths	We continue to train staff through PD on cultural diversity and communication. We continually utilize our ESOL, Special Ed. dept, as well as our school counselors to provide support and training to staff to effectively support students at North Fayette.

Challenges	However our trends continue to include: Teachers are not prepared for student population (student's lack foundation skills as well as social and structural skills). Effective communication with diverse families is lacking at times, professional learning needs to be meaningful in order to improve student achievement. Through coaching, teachers learn to reflect on the effectiveness of their teaching. Research reveals that ongoing teacher training is the critical factor in making a difference in student learning. This include developing culturally responsive training for staff.

3. NEEDS IDENTIFICATION AND ROOT CAUSE ANALYSIS

3.2 Identification and Prioritization of Overarching Needs

Use the results of 3.1 to identify the overarching needs of the LEA. Determine the priority order of the identified needs based on data, team member and stakeholder knowledge, and answers to questions in the table below. Be sure to address the major program challenges identified in 3.1. Watch the Identifying Need webinar for additional information and guidance.

Overarching Need # 1

Overarching Need	By 2024, all students will meet their individual subgroup performance targets as established through the state accountability model.
How severe is the need?	High
Is the need trending better or worse over time?	Better
Can Root Causes be Identified?	Yes
Priority Order	1

Additional Considerations	

Overarching Need # 2

Overarching Need	To create a school climate and culture that is supportive
How severe is the need?	Low
Is the need trending better or worse over time?	Better
Can Root Causes be Identified?	Yes
Priority Order	4

Additional Considerations	

3. NEEDS IDENTIFICATION AND ROOT CAUSE ANALYSIS

3.3 Root Cause Analysis

Select the top 2-4 overarching needs from 3.2. Conduct a separate root cause analysis (RCA) for each need. Any RCA tools and resources can be used, but suggestions are available as part of the Identifying Need webinar. After describing the RCA process, complete a table for each selected overarching need.

> **Overarching Need - By 2024, all students will meet their individual subgroup performance targets as established through the state accountability model.**

Root Cause # 1

Root Causes to be Addressed	NFES students are not performing at high levels as indicated by proficient and distinguished performances on on Reading/ELA and Math Ga. Milestones and local assessments. Student Lexile levels are below expectations. Lack of true differentiation of instruction Lack of common assessment in all subject areas Lack of rubrics for all subject areas Time management for teaching Science and SS is also a factor.
This is a root cause and not a contributing cause or symptom	Yes
This is something we can affect	Yes
Impacted Programs	School and District Effectiveness Title I - Part A - Improving Academic Achievement of Disadvantaged

Additional Responses	

> **Overarching Need - To create a school climateand culture that is supportive**

Root Cause # 1

Root Causes to be Addressed	To create a school climate and culture that is supportive of students, staff, and the community. Parent engagement or communication with the school. There needs to be a mentor program for faculty and staff.
This is a root cause and not a contributing cause or symptom	Yes

Root Cause # 1

This is something we can affect	Yes
Impacted Programs	School and District Effectiveness
	Title I - Part A - Improving Academic Achievement of Disadvantaged

Additional Responses	

School Improvement Plan
2020 - 2021

Fayette County
North Fayette Elementary School

SCHOOL IMPROVEMENT PLAN

1 General Improvement Plan Information

General Improvement Plan Information

District	Fayette County
School Name	North Fayette Elementary
Team Lead	Dr. Lisa Moore

Federal Funding Options to Be Employed (SWP Schools) in this Plan (Select all that apply)	
✓	Traditional funding (all Federal funds budgeted separately)
	Consolidated funds (state/local and federal funds consolidated) - Cohort systems ONLY
	'FUND 400' - Consolidation of Federal funds only

Factors(s) Used by District to Identify Students in Poverty (Select all that apply)	
✓	Free/Reduced meal application
	Community Eligibility Program (CEP) - Direct Certification ONLY
	Other (if selected, please describe below)

2. SCHOOL IMPROVEMENT GOALS

2.1 OverarchingNeed # 1

Overarching Need

Overarching Need as identified in CNA Section 3.2	By 2024, all students will meet their individual subgroup performance targets as established through the state accountability model.
Root Cause # 1	NFES students are not performing at high levels as indicated by proficient and distinguished performances on on Reading/ELA and Math Ga. Milestones and local assessments. Student Lexile levels are below expectations. Lack of true differentiation of instruction Lack of common assessment in all subject areas Lack of rubrics for all subject areas Time management for teaching Science and SS is also a factor.
Goal	By 2024, all students will meet their individual subgroup performance targets as established through the state accountability model.

Action Step # 1

Action Step	Grade levels will meet monthly for mandatory planning to plan for and create common assessments for all subjects.
Funding Sources	N/A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities
Systems	Coherent Instruction
Method for Monitoring Implementation and Effectiveness	Monthly Meeting agendas and sign-in sheets
Position/Role Responsible	Faculty and Administration
Timeline for Implementation	Weekly

Action Step # 1

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	

Action Step # 2

Action Step	Survey teachers to determine comfort levels with teaching Reading/ ELA and Math using the framework.
Funding Sources	Title I, Part A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities
Systems	Coherent Instruction Professional Capacity
Method for Monitoring Implementation and Effectiveness	Pre-Planning and review of the survey results.
Position/Role Responsible	Title and Administration
Timeline for Implementation	Yearly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	

Action Step # 3

Action Step	Conduct PL with county level Reading/ELA and Math focusing on best practices.
Funding Sources	Title I, Part A
Subgroups	N/A
Systems	Coherent Instruction Professional Capacity
Method for Monitoring Implementation and Effectiveness	Monthly Aug-May Agendas, sign-in sheets, walk through
Position/Role Responsible	Administration
Timeline for Implementation	Monthly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	

Action Step # 4

Action Step	Create tutoring programs focusing and Reading/ELA and Math
Funding Sources	Title I, Part A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities
Systems	Coherent Instruction Supportive Learning Environment
Method for Monitoring Implementation and Effectiveness	Sept. - March; Student sign in sheet, pre and post test
Position/Role Responsible	Title I
Timeline for Implementation	Weekly

Action Step # 4

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	

Action Step # 5

Action Step	Increase early literacy by developing opportunities for students and parents to engage in activities prior to enrolling in Fayette County Schools.
Funding Sources	N/A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities
Systems	Coherent Instruction Family and Community Engagement Supportive Learning Environment

2. SCHOOL IMPROVEMENT GOALS

2.2 OverarchingNeed # 2

Overarching Need

Overarching Need as identified in CNA Section 3.2	To create a school climate and culture that is supportive
Root Cause # 1	To create a school climate and culture that is supportive of students, staff, and the community. Parent engagement or communication with the school. There needs to be a mentor program for faculty and staff.
Goal	By 2024 we will enhance NFES culture & climate by achieving a 5 star rating as measured by the GaDOE school climate survey.

Action Step # 1

Action Step	Provide Professional Learning to aid in the implementation of strategies and differentiated instruction
Funding Sources	Title I, Part A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities
Systems	Coherent Instruction
Method for Monitoring Implementation and Effectiveness	Agendas, sign-in sheet, lesson plans
Position/Role Responsible	Admin/ Title I CTL
Timeline for Implementation	Quarterly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	

Action Step # 2

Action Step	Grade levels will meet monthly for mandatory planning to plan and create common assessments for all subject area
Funding Sources	N/A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities
Systems	Coherent Instruction
Method for Monitoring Implementation and Effectiveness	Agenda, meeting notes, lesson plans

Action Step # 4

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	

Action Step # 5

Action Step	Provide parent workshop on science/social studies content/vocabulary development.
Funding Sources	Title I, Part A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities
Systems	Coherent Instruction Professional Capacity Family and Community Engagement Supportive Learning Environment
Method for Monitoring Implementation and Effectiveness	Agendas, sign in sheets
Position/Role Responsible	Title I/ Admin/ Faculty
Timeline for Implementation	Quarterly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	

Action Step # 6

Action Step	Allow parents to provide continued input for instruction via surveys and open door policies
Funding Sources	N/A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities
Systems	Family and Community Engagement Supportive Learning Environment
Method for Monitoring Implementation and Effectiveness	Agendas, Sign in sheets
Position/Role Responsible	Title I/ Admin
Timeline for Implementation	Quarterly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	

Action Step # 7

Action Step	ALL Teachers/staff are on action teams
Funding Sources	N/A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities
Systems	Effective Leadership Professional Capacity Family and Community Engagement

Action Step # 7

Method for Monitoring Implementation and Effectiveness	Agendas, sign in sheet
Position/Role Responsible	Admin
Timeline for Implementation	Monthly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	

Action Step # 8

Action Step	Provide Professional Learning to aid in the implementation of classroom strategies and differentiated
Funding Sources	Title I, Part A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities
Systems	Effective Leadership Professional Capacity Supportive Learning Environment
Method for Monitoring Implementation and Effectiveness	Agendas, sign in sheet
Position/Role Responsible	Admin., Tile I
Timeline for Implementation	Quarterly

Action Step # 8

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	

Action Step # 9

Action Step	Improve the safety and discipline within NFES using the PBIS framework.
Funding Sources	N/A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities
Systems	Effective Leadership Supportive Learning Environment
Method for Monitoring Implementation and Effectiveness	Agendas, sign in sheet
Position/Role Responsible	PBIS rep./ Admin
Timeline for Implementation	Monthly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	

Action Step # 10

Action Step	Provide Intervention Programs (Saturday Academy, paraprofessional supports, Lunch and Learn, etc.) to support student achievement
Funding Sources	Title I, Part A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities
Systems	Coherent Instruction Supportive Learning Environment
Method for Monitoring Implementation and Effectiveness	sign in sheet/ lesson plans/ teacher notes
Position/Role Responsible	Title I
Timeline for Implementation	Weekly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	

Action Step # 11

Action Step	Grade levels will meet monthly for mandatory planning to plan and create common assessments for all subject area
Funding Sources	Title I, Part A N/A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities

Action Step # 11

Systems	Coherent Instruction Effective Leadership Professional Capacity Supportive Learning Environment
Method for Monitoring Implementation and Effectiveness	Agendas/ lesson plans/ sign in sheets
Position/Role Responsible	Title I, Admin
Timeline for Implementation	Quarterly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	

Action Step # 12

Action Step	Provide intervention programs such as Title I Academic Camps, Saturday School, Summer Academic Camps and virtual homework/ tutoring support.
Funding Sources	Title I, Part A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities
Systems	Coherent Instruction Effective Leadership Professional Capacity Supportive Learning Environment
Method for Monitoring Implementation and Effectiveness	SIgn in sheets. lesson plans
Position/Role Responsible	Title I, Admin
Timeline for Implementation	Weekly

Action Step # 12

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	

Action Step # 13

Action Step	Parent workshop in using appropriate reading and writing strategies, encouraging growth in application of reading and writing skills.
Funding Sources	Title I, Part A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities
Systems	Coherent Instruction Effective Leadership Professional Capacity Family and Community Engagement Supportive Learning Environment
Method for Monitoring Implementation and Effectiveness	Sign in sheet, agendas
Position/Role Responsible	Title I, Admin
Timeline for Implementation	Quarterly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	

Action Step # 14

Action Step	Curriculum Night, Title I Annual Meeting, Success Team Nights, Parent Workshops to review grade level content
Funding Sources	Title I, Part A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities
Systems	Coherent Instruction Effective Leadership Professional Capacity Family and Community Engagement Supportive Learning Environment
Method for Monitoring Implementation and Effectiveness	Sign in sheets, agendas
Position/Role Responsible	Title I, Admin
Timeline for Implementation	Quarterly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	

Action Step # 15

Action Step	Build capacity among faculty and parents to support at-risk student populations.
Funding Sources	N/A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities

Action Step # 15

Systems	Coherent Instruction Professional Capacity Family and Community Engagement Supportive Learning Environment
Method for Monitoring Implementation and Effectiveness	Assessment data, meeting notes, agendas and conference notes
Position/Role Responsible	Teachers/ Admin
Timeline for Implementation	Quarterly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	Success team meetings

Action Step # 16

Action Step	Participate in the Family Friendly Partnership Cohort
Funding Sources	N/A

Timeline for Implementation	Quarterly

Action Step # 16

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	

3. REQUIRED QUESTIONS

3.1 Stakeholders, Serving Children, PQ

Required Questions

1 In developing this plan, briefly describe how the school sought advice from individuals (teachers, staff, other school leaders, paraprofessionals, specialized instructional support personnel, parents, community partners, and other stakeholders) was accomplished.	In developing this plan, a team of School and county administrators, teachers, stakeholders, parents and community business and faith-based organizations gathered information to support the writing of this plan. The schools leadership team was instrumental in analyzing and evaluating data for the Comprehensive Needs Assessments. Stakeholders meeting was held to allow all parties the opportunity to provide feedback and additional information for the School Improvement plan.

2 Describe how the school will ensure that low-income and minority children enrolled in the Title I school are not served at disproportionate rates by ineffective, out-of-field, or inexperienced teachers.	All NFES teachers are highly qualified as well as the administrators. All administrators, teachers, and paraprofessionals hold clear, renewable, Georgia certificates and meet highly qualified criteria. The quality of the staff is further reflected in the educational degrees of North Fayette Elementary School's teachers and their years of experience. The average years of experience is 14 and 49% have Master's degrees or higher.

3 Provide a general description of the Title I instructional program being implemented at this Title I School. Specifically define the subject areas to be addressed and the instructional strategies/methodologies to be employed to address the identified needs of the most academically at-risk students in the school. Please include services to be provided for students living in local institutions for neglected or delinquent children (if applicable).	The Title I program will take place during regular school hours weekly. The 3 Title I teachers and 5 Title I paraprofessionals will work with homeroom teachers and our Early Intervention Program to identify students who eligible to receive Title I services in Reading and Math based on Milestone, Star Math, and Reading Inventory data. The Title I Contact will coordinate tutoring services for Title I tutors to work with a small group of students in need of academic intervention. NFES will prioritize students in order to serve the most in need of support based on Ga. Milestone scores, Dibels scores, RI, STAR Math scores, as well as teacher recommendation. After school interventions will also be provided to students identified as at risk through the Title Thursday Reading and Math Program. Virtual tutoring will also provide homework support for students. Professional development and support will be provided to instructional staff to increase curriculum knowledge and provide guidance on instructional best practices. These programs with target students on, above, and below level to remediate and accelerate learning in areas of Math and Reading. The Parent liaison will support parents in engaging in and supporting their child/children's academic progress at school by providing workshops virtually, within the community as well as in the school focusing on Read, Writing, Math, and home support. Lunch and Learn interventions will be utilized to support learning with students in all grades with support from Title I teachers and paras. We will implement a writing workshop in the summer to focus on countywide initiatives.

4 If applicable, provide a description of how teachers, in consultation with parents, administrators, and pupil services personnel, will identify eligible children most in need of services in Title I targeted assistance schools/programs. Please include a description of how the school will develop and implement multiple (a minimum of 2) objective, academic-based performance criteria to rank students for service. Also include a description of the measurable scale (point system) that uses the objective criteria to rank all students.	N/a

3. REQUIRED QUESTIONS

3.2 PQ, Federally Identified Schools, CTAE, Discipline

Required Questions

5 If applicable, describe how the school will support, coordinate, and integrate services with early childhood programs at the school level, including strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.	Our Parent Liaison will reach out to all area preschools with information about Kindergarten registration and set up a date for them to visit, if desired. NFES will host early Kindergarten Registration during a week in May as well as a Kindergarten Registration Night for families during May and June 2019 where faculty will be available to assess incoming Kindergarten students and families will be able to register their Kindergarten students. Feedback will be provided to the parents on their child's Kindergarten Readiness Evaluation. Our Parent Liaison will also coordinate with area preschools and invited them to attend a Kindergarten Round Up in May where students can participate in a Kindergarten lesson.

6 If applicable, describe how the school will implement strategies to facilitate effective transitions for students from middle grades to high school and from high school to postsecondary education including: Coordination with institutions of higher education, employers, and local partners; and Increased student access to early college, high school, or dual or concurrent enrollment opportunities or career counseling to identify student interest and skills.	N/a

7 Describe how the school will support efforts to reduce the overuse of discipline practices that remove students from the classroom, specifically addressing the effects on all subgroups of students.	NFES implemented PBIS to improve discipline and reduce the amount of time students are removed from the classroom. As a result, we expect to improve in this area,which will have an impact on all subgroups of students. Effective Discipline Process A Continuum of consequences is used for violating behavior expectations. Teacher interventions are provided and expectations are retaught and modeled. Students are allowed to practice the expected behavior in order to be successful.Positive Behavioral Intervention and Supports (PBIS) is an evidence- based, data-driven framework proven to reduce disciplinary incidents, increase a school's sense of safety, improve school climate, and support improved academic outcomes for ALL students. The premise of Georgia PBIS is that continual teaching combined with acknowledgement or feedback of positive student behavior will reduce unnecessary discipline and promote a climate of greater productivity, safety, and learning. What does PBIS look like at North Fayette Elementary? A small number of clear expectations are posted throughout the school. Students, teachers, and staff are able to state the expectations. Teachers continuously

	teach and review the expectations throughout the year. Teachers model PBIS for students. Students are rewarded for meeting expectations. Data Ongoing use of office discipline referral data for decision making is a priority. We localize the problem by location, month, day, grade, behavior, time, and student. Clear Expectations & Rules Throughout the school year, students are taught how to behave according to three behavior expectations. Teachers help students learn what the expectations "look" and "sound" like in every setting during the school day. These lessons are retaught and reinforced throughout the school year, and are a regular part of the instructional day. "Be a North Fayette Role Model" BE READY; BE RESPECTFUL; BE SAFE Behavior Matrix. The Behavior Matrix is a detailed description of expected behavior in each setting of the school. The matrix is posted in classrooms, around the school, and sent home. Positive Recognition Acknowledging and reinforcing positive behavior is the focus of PBIS. NFE students earn tickets/stickers throughout the day for meeting the three behavior expectations. Earned tickets/stickers can be used to obtain various reward items. This allows student the opportunity to receive support and learn school-wide expectations.
