

Parents,

If your student is interested in Athletics or participating in Marching Band, Adventure Club, Dance Team, Esports, or Winter Guard they must have a Privit Student Health Profile and be cleared before any tryouts, conditioning, training, or competing.

The purpose of the Student Health Profile is to collect, store and update student medical information and consent forms that are collected annually. The Student Health Profile program replicates the information we routinely collect for students participating in activities at the school and is compliant with international privacy laws, including HIPPA and COPPA, ensuring your student's information is secure.

If you have already created Privit Student Health Profile for your student in a previous school year you only need to update & resign the forms for the upcoming school year. Instructions for updating an existing profile can be found here:

https://drive.google.com/file/d/1NIQ2T693j_4wXrN7G4w_Dk6LApvgVUbt/view?usp=sharing

If you have not created a Privit account before or need to add a student to your current Privit account, please follow the instructions at this link: <https://drive.google.com/file/d/123mMp1ctN8-MU45FI5bk0iKjdg6UzlrN/view?usp=sharing>

Important information to know:

- Not every student needs a Privit Student Health Profile. Only students who are participating in Athletics or certain extracurricular activities.
- Privit profiles are cleared weekly, usually on Wednesdays when school is in session. Complete your student's profile and upload their physical as early as possible so that your student is cleared well in advance of tryouts, conditioning, or training.
- Once a student is cleared, they will remain cleared in Privit through the entire school year as long as:
 - A current physical is always uploaded to Privit (when old one expires a new one is upload before expiration).
 - The student is not deferred for other reasons such as injury, conduct, etc.
- Clearance in Privit is only confirming that all annual forms have been completed, turned in, and verified. Students must also comply with GHSA eligibility rules to be eligible to participate in most school activities. GHSA eligibility rules can be found here <https://www.ghsa.net/constitution>.
- Clearance in Privit does not guarantee a position on a team.
- Accident or Medical insurance is required in order to participate in athletics and/or extracurricular activities.
 - If your student does not have insurance, school insurance can be purchased from K&K Insurance. More information can be found here: <https://www.fcboe.org/domain/98>
 - Insurance information must be provided on the Parental Consent Form in Privit.
