Advanced Placement courses offer college-level coursework in the high school setting, affording students the opportunity to receive college and high school credit simultaneously. If accepted into an AP course, both students and parent understand and agree to the following:

- I will complete all summer reading and assignments (if applicable). Failure to complete summer reading assignments will not constitute a reason to drop an AP class.
- I will take the first semester exam.
- I will be enrolled in the yearlong course for two semesters; class changes will NOT be permitted.
- I may not transfer from an AP class to a regular education class.
- I am required to take the AP exam for each AP course in which I am enrolled and I assume all responsibility for payment for all AP exams (currently \$93 per exam).
- I understand that the grade I earn in an AP class will be averaged into my cumulative GPA and that a separate GPA will be calculated with an AP quality point added.
- I understand that once I accept an AP class qualification, I have signed a binding commitment.
- I understand that I may only take the following number of AP courses without administrative approval. To take more than the minimum, I must meet with and receive permission from Mrs. Smith, Registrar/Asst. Principal.

10<sup>th</sup> Grade- 2 courses

11<sup>th</sup> Grade- 3 courses
