Leadership

Trait of the Week

October 17th - October 21st

"Keep Working Even When It Is Difficult"

"Student of the Week"
Kiara Santiago Rivera

Word of the Month

Motivated

Having an incentive or a strong desire to do well or succeed in some pursuit

Kiara is a wonderful example of a student that keeps working when it gets difficult. Her perseverance when the topic is tough or the answers don't come immediately is a great example to her classmates. Her wonderful work ethic challenges those around her to strive to do better. She has learned to grow through critical feedback to continually improve. We are very honored to have her on Team A!

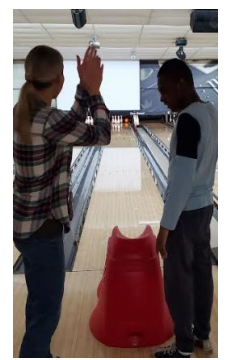

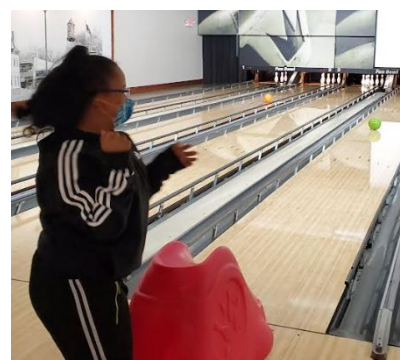

REACH Georgia Scholarship

Congratulations to our three students (Jocelyn Saldierna-Cardenas, Madisyn Gates-Phams, and Jeremiah Hosanna) that received the REACH Georgia Scholarship!

The REACH Georgia Program is designed to provide academically promising students with the comprehensive support needed to persist through middle and high school, gain access to college, and achieve postsecondary success.

Special Olympics!

Ms. Watson's class attended the Special Olympics for Fayette County today! The students had such a great time participating and meeting new friends.

School Nurse News

Flu is widespread in Georgia. The Department of Public Health suggests every individual over six months of age should get a flu vaccine. Flu symptoms can include fever, cough, sore throat, congestion, body aches, headache and fatigue. Flu vaccine is widely available at the health department, doctor's offices, grocery stores and pharmacies. Please keep your student home if he or she is ill. Flu sufferers should be free of fever, without the use of a fever reducer, for at least 24 hours before returning to school.

Scoliosis Screening will be held on November 15th for 6th grade students and November 17th for 8th grade students. See nurse Rowells recent scoliosis screening email for more information.

CELEBRATE LIFE. LIVE DRUG FREE.

Monday, October 24 – Friday, October 28

MONDAY: RALLY IN RED AGAINST DRUGS – WEAR RED

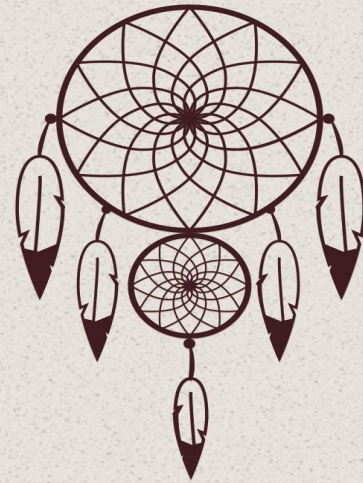

TUESDAY: FRIENDS DON'T LET FRIENDS DO DRUGS: TWIN DAY TWOSDAY! DRESS UP AS TWINS

Liderazgo

Atributo de la semana

PBIS

Palabra del mes

Motivado

Tener un incentivo o un fuerte deseo de hacer las cosas bien o de tener éxito en alguna actividad

Octubre 17 - Octubre 21

" Sigue Trabajando Incluso Cuando Es Difícil "

"Estudiante de la Semana"

Kiara Santiago Rivera

Kiara es un maravilloso ejemplo de una estudiante que sigue trabajando cuando se pone difícil. Su perseverancia cuando el tema es difícil o las respuestas no llegan de inmediato es un gran ejemplo para sus compañeros de clase. Su maravillosa ética de trabajo desafía a quienes la rodean a esforzarse por hacerlo mejor. Ha aprendido a crecer a través de comentarios críticos para mejorar continuamente. ¡Nos sentimos muy honrados de tenerla en el Equipo A!

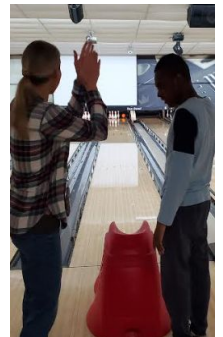

Felicitaciones a nuestros tres estudiantes (Jocelyn Saldierna-Cardenas, Madisyn Gates-Phams y Jeremiah Hosanna) quienes recibieron la Beca REACH de Georgia!

El programa REACH de Georgia está diseñado para proporcionar a los estudiantes académicamente prometedores el apoyo integral necesario para persistir en la escuela intermedia y secundaria, obtener acceso a la universidad y lograr el éxito después de la secundaria.

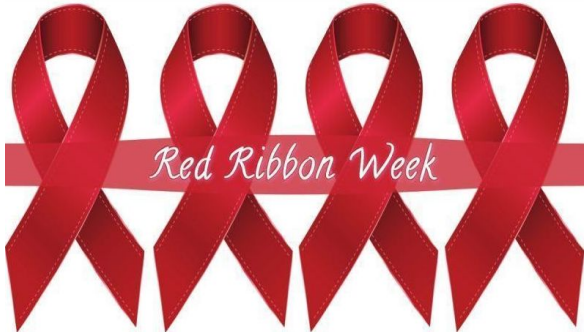

Olimpiadas Especiales!

¡La clase de la Sra. Watson asistió hoy a las Olimpiadas Especiales del Condado de Fayette! Los estudiantes se divertieron mucho participando y conociendo nuevos amigos.

Flu-Influenza La gripe está muy extendida en Georgia. El Departamento de Salud Pública sugiere que todas las personas mayores de seis meses deben vacunarse contra la gripe. Los síntomas de la gripe pueden incluir fiebre, tos, dolor de garganta, congestión, dolores corporales, dolor de cabeza y fatiga. La vacuna contra la influenza está ampliamente disponible en el departamento de salud, consultorios médicos, supermercados y farmacias. Por favor mantenga a su hijo en casa si él o ella está enfermo. Los enfermos de gripe deben estar libres de fiebre, sin el uso de un medicamento reductor de fiebre, durante al menos 24 horas antes de regresar a la escuela.

La **evaluación de escoliosis** se llevará a cabo el 15 de noviembre para los estudiantes de 6.º grado y el 17 de noviembre para los estudiantes de 8.º grado. Consulte el correo electrónico de evaluación de escoliosis reciente de la enfermera Rowell para obtener más información.
