Leadership

Trait of the Week

December 5th - December 9th

" Having The Courage To Do The Right Thing "

"Student of the Week"
ERIC EVANS

Word of the Month

Trustworthiness

The ability to be relied on because you are honest and truthful.

Courage is knowing for yourself what is right and what is wrong and then following the rules because you know that's the right thing to do. Eric Evans always chooses the right thing to do. He puts aside his fear of failure and always maintains his positive character, even when no one is looking. Thank you Eric for leading our team with your continual display of courage.

STEAM CAREERS

Students learned about the dangers of fossil fuels, and the benefits of obtaining energy through renewable resources. We designed alternative energy power plants for our fictional town, Solutionville. Students learned about solar power from a representative at Coweta Fayette EMC, and then made ornaments for our Festival of Trees exhibition in the FRMS Food Forest using solar beads. The beads have special pigments that react with UV rays from the sun.

SHADE STRUCTURE VOLUNTEERS NEEDED

We are looking for parent volunteers or business volunteers to install the structure. We will need to dig 4: 3.5 foot deep holes that are 18 in wide to sink the 6x6 pressure treated posts. Each hole will need about 2 bags of cement.

If you are able to give one morning of your time to a worthy cause, or if you have equipment for digging holes and installing this type of structure, please email thompson.sarah@fcboe.org. We'll set a date of installation as soon as we have a crew together!
