GEORGIA MILESTONES INFORMATION

Students in sixth, seventh, and eighth grades will take the Georgia Milestones Assessment beginning **Monday, April 19, 2021 - Tuesday, May 11, 2021**. The Georgia Milestones are part of the required assessment program for the state of Georgia. Students will be assessed on their knowledge and skills in core content areas (Language Arts and Math 6th-8th grades, Science and Social Studies 8th grade only). The results will be used as one tool to determine individual strengths, weaknesses, and to design our instruction to meet the needs of students so that they can best learn.

Important information for testing days:

- Testing will begin promptly at 8:10 a.m.
- Students will not be allowed to enter the testing room once testing has begun, we cannot interrupt the testing environment for check-outs. Please arrange for any appointments to take place during these dates to occur after testing is completed.
- Please be aware that lunch schedules will vary daily
- Please see the test schedule [here](#) for assessment sessions each day.

Additional tips:

- Get plenty of rest each night. Wake up early so that you do not need to rush through having breakfast and getting ready.
- Eat a nutritious breakfast each morning prior to coming to school. Avoid heavy foods and sugar; bananas are always a good option.
- Stress to your student the importance of the test and doing his/her best. However, be careful not to create undue anxiety in the student. Students perform best when they are relaxed, additionally, you can assist your child by encouraging them daily.

PARENT MILESTONE ACADEMY

If you missed our Parent Milestone Academy this week you can view the Zoom recording and view the information provided by [clicking here](#).

As always, thank you for being a supportive partner in your child's educational success! We are confident that our students will perform like the soaring Eagles that they are! If you have any questions, please feel free to contact your child's teacher or one of the school administrators

Leadership Word of the Month for April

DILIGENCE

To strive for excellence in everything you do.

Leadership Trait of the Week

April 12th - April 16th

“Industry”

Energetic and devoted activity at any work or task.

“Student of the Week”

Ava Bracken

This student consistently engages and reflects on their work daily. She will spend every minute in class to make sure that they have tried to achieve a high level of efficacy on the task at hand, and doesn't mind addressing struggles along the way with questions and feedback from the teacher. This equates to an actively engaged learner who is not only individually strong, but also showcases strong S.T.E.A.M. habits to their peers. For this reason, the student of the week for team 6A is Ava Bracken. Congratulations Ava!

INFORMACIÓN SOBRE LOS GEORGIA MILESTONES

Los estudiantes de 6to, 7mo y 8vo grado presentarán las Pruebas de Georgia Milestones a partir del **Lunes 19 de Abril de 2021 hasta el Martes 11 de Mayo de 2021**. Los Georgia Milestones son parte del programa de evaluación requerido por el estado de Georgia. Los estudiantes serán evaluados según sus conocimientos y habilidades en las áreas de contenido básico (Lenguaje y Matemáticas grados 6-8vo, Ciencias y Sociales 8vo solamente). Los resultados se utilizarán como una herramienta para determinar las fortalezas y debilidades individuales y para diseñar nuestra instrucción para abordar las necesidades de los estudiantes para que ellos que puedan aprender mejor.

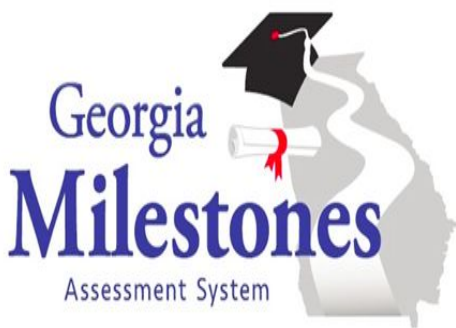

Información Importante para los días de las Pruebas:

- Las pruebas comenzarán puntualmente a las 8:10 a.m.
- No se permitirá que los estudiantes entren al salón de pruebas después que las pruebas hayan comenzado, no podemos interrumpir el entorno de pruebas para salidas de estudiantes. Haga arreglos para que cualquier cita que tenga en esas fechas se realice después de que finalicen las pruebas.
- Tenga en cuenta que los horarios del almuerzo variarán a diario
- Consulte el calendario de las pruebas [aquí](#) para conocer las sesiones que se llevarán a cabo cada día.

Consejos Adicionales:

- Descanse lo suficiente cada noche. Levántese temprano para no tener que apresurarse al desayunar y al alistarse.
- Tome un desayuno nutritivo cada mañana antes de venir a la escuela. Evite los alimentos pesados y el azúcar; las bananas son siempre una buena opción.
- Explíquelo a su hijo la importancia de las pruebas y de hacer su mejor esfuerzo. Sin embargo, tenga cuidado de no crear una ansiedad indebida en el estudiante. Los estudiantes se desempeñan mejor cuando están relajados. Ayude a su hijo animándolo cada día.

Como siempre, ¡Gracias por ser parte importante de apoyo en el éxito educativo de su hijo! ¡Estamos seguros de que nuestros estudiantes se desempeñarán como las águilas que son! Si tiene alguna pregunta, no dude en comunicarse con el maestro de su hijo o con uno de los administradores de la escuela.

Palabra de Liderazgo del Mes de Abril

DILIGENCIA

Luchar por la excelencia en todo lo que haces

Atributo de Liderazgo de la Semana
Abril 12 - Abril 16

“ Laborioso ”

Enérgico y dedicado en cualquier trabajo o tarea.

“Estudiante de la Semana”

Ava Bracken

Esta estudiante se involucra y reflexiona constantemente sobre su trabajo diario. Dedicada cada minuto en clase para asegurarse de que hayan intentado lograr un alto nivel de eficacia en la tarea en cuestión y que no le importe abordar las luchas en el camino con preguntas y comentarios del maestro. Esto equivale a un alumno que participa activamente y que no solo es fuerte individualmente, sino que también muestra hábitos de S.T.E.A.M. a sus compañeros. Por este motivo, la alumna de la semana del equipo 6A es Ava Bracken. ¡Felicitaciones Ava!
