# ***New to the Eagle's Nest***

Hello everyone! I'm Brenda Cannington and I am currently teaching Title 1 Math and subbing for Mrs. Burnett in the counseling office. I was a math teacher for 15 years (6 of those here at FRMS) and a counselor for 17 years before retiring from Fayette County Schools. I am happy to be back at Flat Rock; particularly for the 30th year anniversary! It has been rewarding making new friends in old places. If you have any questions for me please reach out to me at, [Cannington.Brenda@mail.fcboe.org](mailto:Cannington.Brenda@mail.fcboe.org)

I am Ms. Danette Summa Ed. S. and I am so excited to be part of "The Rock" This is the 26th year in my teaching career and returning to the science classroom on the 7th grade STEAM team is such an adventure after teaching ELA and Math for many years. I love the kids and all of the families that I have met so far this year; this is a truly unique school. At home, I have 3 children, 2 dogs, 2 cats, some snakes, a tarantula, a gecko- and in my free time I love to travel, grow roses, and read. I have a wonderful life full of great opportunities, friends and family. In turn, I hope to be that encouraging smile and motivation that makes my students want to learn.

“What do you do when your own child is the bully? You are always asking about what to do when your kid is being bullied. What about when *they* are the one who is dishing it out?”

This question came from a concerned mother, wracked with guilt over her son’s habit of demeaning peers emotionally and physically pushing them around.

In this article suggestions are listed that may help change the behavior

The 8<sup>th</sup> graders in Ms. Hare's Business & Computer course at Flat Rock Middle School completed their soft skills unit to earn their GeorgiaBEST certificates by having an Interview Circuit. The students were interviewed by stakeholders in the Fayette County Community and gave the students feedback using a grading rubric that entailed some of the GeorgiaBEST standards from the Georgia Department of Labor's workforce initiative.
