**Congratulations to Ms.  
Casey Perez!!!**

Ms. Perez was selected as the October 2019 Middle School employee of the month for going "Above and Beyond". We thank Ms. Perez for her commitment to our school and excellent customer service.

October is designated as National Principals Month to recognize and honor principals for their tireless efforts in the pursuit of excellence in education.

We at Flat Rock would like to thank Mrs. Jade Bolton, for exemplifying what it is to be a great leader. Her dedication and instruction has led our school to new heights.

## Congratulations Noa!!!

Flat Rock Middle School and Sandy Creek athletics would like to congratulate Noa Lomba for finishing 2nd in the Junior Varsity Division at the Region Championship. Noa ran the fastest 5k time in the county.

## Leadership Word of the month for October

*~Care~*

*To feel concern or interest; to attach importance to something*

**Leadership Trait of the Week**

**October 21<sup>st</sup> – October 25<sup>th</sup>**

**“Generous”**

**Kaylie Hatchel**

**“Student of the Week”**

**Unselfish; willing to give or share more than is necessary**

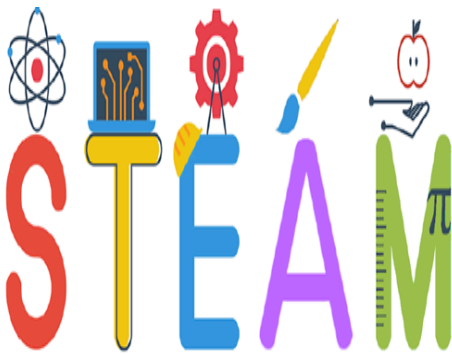

Kaylie exemplifies generosity in everything she does. She is generous with her classmates. She noticed that a student was not buying lunch, so Kaylie asked if she could use her money to purchase some food for the student. She is generous with her effort. She puts 100% into every assignment and is always striving to do her best. She is generous with respect. She is always respectful when she is dealing with her peers or speaking to an adult. She is generous with her smiles and good attitude. She has a smile and a "hello" as she enters each classroom during the day for the teacher standing in the hallway greeting students. Kaylie is always ready and willing to give or share more than is necessary. She is a pleasure to teach!

# New to the Eagle's Nest

Hello everyone! My name is Jacquie Bordon and I am the new Spanish teacher for the Connections program for 6<sup>th</sup> and 7<sup>th</sup> grade and the Spanish 1 High School credit for 8<sup>th</sup> graders. I have a teaching degree in Spanish Education and two Masters; one in Spanish Literature and the other one in TESOL. This is my 16<sup>th</sup> year teaching and throughout my career I have had the opportunity to educate students in all levels of Spanish: from kindergarten to University. I am a native speaker, born and raised in Ecuador and have made the United States my home. I have lived in Georgia for the past 3 years with my husband. I love travelling and sharing time with my family. I am excited to be part of the Flat Rock family. So far, besides teaching, I have enjoyed assisting coaching volleyball and now embarking onto the STEAM Club. If you have any questions please contact me at [bordon.jacqueline@mail.fcboe.org](mailto:bordon.jacqueline@mail.fcboe.org) GO EAGLES!!!

Several of our STEAM students will be participating in this 2019 STEAMIFY competition **Saturday, October 26, 2019** at Augusta University. STEAMIFY is a design-based problem solving competition that gives students in grades 4-8 the opportunity to apply the content they are learning in the contexts of either engineering or artificial intelligence. This competition consists of two parts: a long problem and a spontaneous problem. Two teams of 7 total students will be competing in event area of aeronautical engineering and dance.

Additional information can be found at <https://www.augusta.edu/education/steamify/index.php>

## GaSTC Final Submissions

The Georgia Student Technology Competition (GaSTC) Fayette is an annual technology competition for students in the Fayette County School System. The GASTC is the highest level of student technology competition in Georgia with over 750 projects, representing the work of 1000+ students, judged at the competition each March. Team 7A invited students, faculty, and staff to offer feedback on the projects before students submit their final designs. The results were amazing!! The 2019-2020 competition will take place at Rising Starr Middle School on **Saturday, November 2, 2019**. Winners from each of the categories will advance to the West Georgia Technology Competition in January 2020. Flat Rock will have 38 participants in the competition this year! #FlatRockForward #gastcfayette2019 #FRMSSTEAM #ExcellenceAndCreativity [@EagleSTEM](#) [@FRMSEagles](#)
