NEW PROCEDURES FOR VOLUNTEERS AND CHAPERONES

Starting January 1, 2020, all volunteers for Fayette County Schools are required to fill out a volunteer form. This form is currently available on the Flat Rock website. A link to the Mandated Reporter Training Video is attached to the form and must be viewed to complete the process. This is required before volunteering at any Fayette County School. We have computers available in our resource hub. Thank you for giving your time and helping our school!

Perseverance is the key to building grit. There is no doubt that kids who develop it will lead happier and more productive lives than those who don't. Click on the link to read about "grit builders" with corresponding "grit stealers."
