# BLACK history MONTH

The unmatched talent of our faculty and students was on display today as we celebrated our history, Black History.

# You are invited to the Flat Rock Middle School Orchard Birthday Party on February 28th at 4:00 PM at the Flat Rock Garden!

A grant awarded by the Atlanta Local Food Initiative (ALFI), which installs orchards and gardens at schools and community sites all over Atlanta, awarded an orchard grant to Hopewell United Methodist Church, which for logistical and educational reasons decided the orchard would be best located behind Flat Rock Middle School. (Flat Rock's STEAM program is focused on sustainable agriculture and healthy communities.) Participating will be the Sandy Creek High school orchestra, drama, and culinary departments along with community members and students.

Come celebrate the event and plant a tree! \
