## GaSTC State Regionals

Congratulations to all of our Flat Rock students who participated in the GaSTC Regionals. Fayette county students did a fantastic job at regionals! The district is sending 32 teams on to the state competition in March. That is just below the 50% mark for all 1st place winners from regionals. 63% of Fayette county students are continuing on to the state level! That is such a huge number in a short 2 years of having this competition.

### First place (advancing to state):

**Maddy Lohr > 7-8 Animation**

**Quentin Lunderman and Colin Janeski > 7-8  
Audio Production**

**Alan Nguyen > 7-8 Digital Game Design**

**Nicholas Jenkins > 7-8 Graphic Design**

### Second place:

**Farqad Noori and Noah Lake > 5-6 Audio  
Production**

**Imani Newton > 7-8 Multimedia Application**

The competition is on Saturday, March 14th at Kennesaw State University (Marietta Campus). The website for the competition is <https://www.gastc.org/>. They are always looking for judges. It gives great insight into the whole process and a way to see what types of projects the students are creating. If you are interested, please visit the website and sign up to volunteer.

## Leadership Word of the month for January

*~Innovative~*

*Introducing new ideas; original and creative in thinking.*

**Leadership Trait of the Week**

**January 27<sup>th</sup> – January 31<sup>st</sup>**

**“Resourceful”**

**Godson-Carl Celestine**

**“Student of the Week”**

**Resourceful - having the ability to find quick and clever ways to overcome difficulties**

Godson is a very kind young man who always has a smile and warm welcome. This young man recognizes his own strengths and weaknesses. When it comes to a weakness, he is always willing and ready to improve. He seeks out help and makes great effort to improve. He's willing to come in before school to get extra help and also willing to do extra work at home. He is diligent about finding the best resources to help him improve. This resourceful young man will be successful because of his persistence and dedication to overcome.

The Rotary Club Fayette Daybreak hosted a Teacher Appreciation Breakfast.

Mrs. Rufenacht accompanied by Mrs. Bolton was recognized and congratulated for her Teacher of the Year award.

## **Enjoying the fruits/veggies of our labor!**

This week the nutrition team prepared a lunch with school grown lettuce. Our students hard work, dedication and labor in the Flat Rock garden paid off in the best of ways! We are looking forward to what other menu items will be prepared with our locally grown fruits and veggies. We thank Hopewell church for its gracious donation to our school. After being awarded an ALFI (Atlanta Local Food Initiative) grant, Hopewell church donated FRMS most of its grant to put towards our new Flat Rock Orchard. This has provided Flat Rock with a boost to our STEAM program focused on sustainable communities.
