FRMS Orchard Birth....Day!

Flat Rock Middle School, Sandy Creek High School, and Hopewell United Methodist Church hosted a "Birth-day" party for a new fruit orchard that was planted behind Flat Rock last Friday, Feb. 28. We planted a variety of 13 fruit trees. We would like to thank our students, families, community, sponsors, faculty and staff for joining us and making this a successful event.

"The orchard birthday party was more than trees. It was standing in the gap to reimagine learning, school, and self-directed initiatives to bring generations together, to instill grit and resilience, and to grow leaders and learners through service. Students have a stake in the game. They have something to give and something to get. They are change makers becoming future ready for the next right choice. Thanks to all that attended and participated in the event including students from Sandy Creek related to orchestra, culinary arts, broadcasting, theater, graphic arts, and science." – Mr. Eller
