Termira Whetstone
Jordyn White
Tavia Williams
Kamryn Wimbish

**CONGRATULATIONS TO THE
2019-2020 CHEERLEADERS**

Leadership Word of the Month for April

Citizenship: being a member of and supporting one's school, community and country

Leadership Trait of the week: April 15 – April 19

Respect for the Environment- Someone's environment is all the natural surroundings, circumstances, people, things, and events around them that influence their life.

Student of the Week

This student is cognizant of her environment and others. She is aware of her classmates and is willing to comfort them in their time of need. When support is needed by a classmate, she takes the initiative to assist her peers without drawing attention to herself. When she sees students without supplies, she willingly goes out of her way to bring the student what they need. In addition, this student makes sure that her environment is clean before she leaves any area. **6C Student of the Week for Respect for the Environment is Camden Barnett.**

GEORGIA MILESTONES ASSESSMENT INFORMATION

Dear Parents,

Students in sixth, seventh, and eighth grades will take the Georgia Milestones Assessment beginning **Tuesday, April 9, 2019 - Wednesday, May 1, 2019.**

The Georgia Milestones are part of the required assessment program for the state of Georgia. Students will be assessed on their knowledge and skills in core content areas (English/Language Arts, Writing, Math, Science and Social Studies). The results will be used as one tool to determine individual strengths, weaknesses, and to design our instruction to meet the needs of students so that they can best learn.

Important information for testing days:

- It is important for your child to be present and on time each day that the tests are administered.
- Testing begins in our school at 8:30 a.m. Students will not be allowed to enter the testing room once testing has begun, we cannot interrupt the testing environment for check-outs. Please arrange for any appointments to take place during these dates to occur after testing is completed at 12:00 pm.
- Please be aware that lunch schedules will vary daily
- Please see the test schedule posted on our website for test sessions each day.
- Students usually perform best when they take a test in a familiar environment.
If students are absent or tardy, make-up sessions may be administered by the counselor or other certified personnel in the media center, or in another classroom environment that your child is not familiar.
- Stress to your student the importance of the test and doing his/her best. However, be careful not to create undue anxiety in the student. Students perform best when they are relaxed, additionally, you can assist your child by encouraging them daily.
- Get plenty of rest each night
- Eat a nutritious breakfast each morning prior to coming to school. Avoid heavy foods and sugar; bananas are always a good option.
- Wake up early so that you do not need to rush through having breakfast and getting ready.
- Have your child dress in layers, kids do better on tests if they don't have to think about how hot or cold they are.
- Come to school every day and arrive on time

Dear Parents,

Please see the test schedule below and plan accordingly for any appointments that might take place for your child during this time frame as we cannot interrupt the testing environment for student check in or out. It will also be imperative that your student comes to school prepared on their test days with their chrome books fully charged so as to eliminate any technical difficulties that could occur during the Milestone testing session.

ESTING DATES	TESTING GRADES
Monday 4/22	8th Grade Social Studies
Tuesday 4/23	6th & 7th Grade Math I
Wednesday 4/24	6th & 7th Grade Math II

Wednesday 5/1	8th Grade Physical Science

Special Olympics

What is Special Olympics? Special Olympics is the world's largest sports organization for children and adults with intellectual disabilities and physical disabilities, providing year-round training and competitions to 5 million athletes and Unified Sports partners in 172 countries. This year, Special Olympics in Fayette County, was held at Sandy Creek High School, in Tyrone, Georgia. Our students participated in several events, such as shot put, softball throw, 100-meter dash, and long jump. Our FRMS athletes received first, second, and third place ribbons. It was an amazing day!!!

There will be a cheer interest meeting for 8th graders on Tuesday, April 23, 2019.

Time: 6:00pm

Location: Sandy Creek High School Media Center.

Tryouts will be May 6-10.
