# Little League World Series Update

**#7  
Tai  
Peete**

**Positions:** SS  
**Bats:** L | **Throws:** R  
5'8" | 139

The Peachtree City Little League team, representing the Southeast Region has reached the semi-finals of the Little League World Series. Flat Rock's very own Tai Peete (#7) has been a major part of the team's success.

The team lost their first game of the double elimination tournament, but the SE has gone on to win their last four games in a row. On Saturday, August 25th the Peachtree City team will once again face Hawaii, the only undefeated team and the only team to defeat the Peachtree City team. The winner of Saturday's game will represent the entire United States in the final game of the Little League World Series.

Tai plays shortstop and pitcher. Pitching against the New York team (NW), in their third game, Tai Peete led the team to the win for the Southeast. Tai went three innings, allowing zero runs on one hit, striking out five and walking one. In the game on August 23th, Tai was credited with the mound victory for Southeast. He worked five innings, allowing seven hits, and three runs, while striking out five, and walking one. At the plate through the five games Tai has 2 runs batted in and has a batting average of .412.

With articulate communication and a genuinely warm personality, Tai has been featured in the media numerous times throughout the tournament. Tai's sportsmanship and character has made him an amazing representative for *Flat Rock*. We hope you will join us in congratulating Tai on all that he has achieved. Please see link below to see his ESPN interview. #FlatRockProud

Volleyball season also kicks off next week with a home match against Booth on Tuesday, August 28. The contest will begin at 5:00 with the 7th grade game, and the 8th grade game will follow. Like football, this will be a good test against quality competition. Come support Coach Thacker and the girls and let's get loud and be proud!

**For those of you who cannot attend the game we will stream it live at [Flat Rock Volleyball](#). Streaming will not begin until 5:00PM the day of the game.**

## Chromebook Insurance Information

Deadline to purchase Chromebook insurance is 9/3/18.

## Leadership Word of the Month for **August**

**Respect:** Showing regard for the worth of someone or something

Leadership Trait of the Week

August 20th – August 24th

**DIGNITY**

Empress Malone

Student of the Week

### **Dignity:** being worthy of honor and respect

The student of the week from the PE department is Empress Malone. Empress demonstrates dignity by having loads of energy while helping to lead others to do their best in class. She is a good example of helping others and honoring others by serving them. We're proud of Empress and of all students who respect others and put others ahead of themselves!!

Positive and effective parent-school communication benefit the school, child, and the parents. Parents also benefit from being involved in their children's education by getting ideas from school on how to help and support their children, and by learning more about the school's academic programs and how it works. The journey of school is not just for educators and students, it's about parents, too! Here you will find resources and articles to support your child's success in school.

**Check out the link below and select your child's grade to get the lowdown on "what's going on inside your child's head":**
