Attention academic team candidates:
Applications are due Tuesday, March 12 to Mrs. Reed. You will need one teacher recommendation, and your teacher will turn in your academic team application to Mrs. Reed.

Parents benefit from being involved in their children's education by getting ideas on how to help support their children, learning about the school's academic programs and how those programs work. The journey of school is not just for educators and students, it's about parents, too! The **Parent Power** segment is dedicated to sharing articles that support your child's success in school.

SELF DISCIPLINE: Having a strong sense of self-control in order to reach a desired goal or to rise to your commitments or principles.

Leadership Trait of the week: March 4 – March 8

Character – Understanding, caring about, and acting upon becoming positive and a role model.

Student of the Week

A person of good character exhibits attributes such as integrity, honesty, courage, loyalty, fortitude, and other important virtues that promote good behavior and habits. Moreover, a person's character marks who we are as a person, and it also highly influences the choices that we make in our lives.

On Team 6B, our Student of the Week exhibits the highest qualities of character. This student, quietly and without hesitation, helps other students, withstands peer pressure, and is someone whom the teachers can place their complete trust.

"Character is like a tree and reputation like its shadow. The shadow is what

we think of it; the tree is the real thing." Abraham Lincoln

Congratulations to Team 6 B's Student of the Week, Chloe Roberts
