Location: 792 Glynn St. N Fayetteville, GA 30214

Thank you for your support!

Parents benefit from being involved in their children's education by getting ideas on how to help support their children, learning about the school's academic programs and how those programs work. The journey of school is not just for educators and students, it's about parents, too! The **Parent Power** segment is dedicated to sharing articles that support your child's success in school.

Check out the link below to see Parenting Cue Cards on what to do in "tough parenting situations".

Leadership Word of the Month for **SEPTEMBER: HONESTY**

Showing a good and truthful character; able to be trusted

Leadership Trait of the Week
September 24th – September 28th
Uprightness
Christlyn Andrews
Student of the Week

Uprightness – Telling or expressing the truth

Team 6B is proud to acknowledge the student of the week for the character trait of uprightiness: the quality of being honest, responsible, moral, and honorable. She holds herself to consistent standards by believing in truth and doing the right thing and tries to live up to those high principles. Her conscientiousness impresses the teachers, as well as the students on the team.

The student of the week from Team 6B is **Christlyn Andrews**.

Tech Saturdays

Is a STEM and **Parent Power** initiative designed to expose parents, students and other community stakeholders to educational technology resources that we use in the classroom. Many of these tools have practical applications beyond the classroom and can teach our students workforce development skills. For the 2018 - 2019 school year, we'll leverage the **Flexible Learning Center** to host technology sessions, each session will last an hour on the second Saturday of every month. We will provide light refreshments and request participants to make a charitable donation so we can continue to offer Tech Saturdays throughout the school year.

Session Dates

Saturday, October 13th - Professional Presentations with Google Slides

Saturday, November 10th - Web Design with Google Sites

Saturday, December 8th - Graphic Design with Canva

Saturday, January 12th - Creating Professional Videos

Saturday, February 9th - Using Spreadsheets with Google Sheets (or Excel)

Saturday, March 9th - Creating Surveys with Google Forms

Saturday, April 13th - Creating & Publishing Podcasts

Event Registration Link: <https://goo.gl/forms/zCBrnNdeKp1HgK583>

**FLEXIBLE LEARNING CENTER
2ND SATURDAY OF EVERY
MONTH**

The Coca-Cola Give Program

Dear Parents,

We're excited to share that Flat Rock is part of the **Coca-Cola Give** program. This is a new funding opportunity to help improve learning environments for students. The best part? Donations don't come out of your own pocket. When you make Coca-Cola purchases, you simply enter the product codes here: <https://us.coca-cola.com/give/schools/> and our school will receive a donation.

A second option is to save bottle caps from your Coca-Cola products. Students can turn in the bottle caps to their homeroom teachers and the Flat Rock STEM Team will scan the caps for you! As a bonus, the homeroom in each grade level that collects the most caps each month will receive a doughnut breakfast.

Thanks for your support!

Join the Beta Club

All **7th and 8th** grade students interested in joining the **Beta club** please go the FRMS website and fill out the application. Interested students must have two teacher recommendations and a completed application submitted by **Friday, October 5th**. No late applications will be accepted. Terms and conditions are detailed on the application.

For more information, please contact Mrs. D. Monique Williams at williams.monique@mail.fcboe.org.

DAY OF AWESOMENESS

Thanks to everyone who participated in the Step It Up Fundraiser! With your help the PTO raised **\$22,473!** That is our biggest fundraiser ever and it allows us to fund more student activities and teacher supplies. We are also getting close to our goal of getting a Digital Marquee for the school. All students who raised money got to participate in the Day of Awesomeness on Wednesday. It was a great event and a big hit with the students!

Please join us for our next PTO meeting on **Wednesday, October 10th at 5:30PM.** We have a lot of great things planned for this year so come out and hear all about it.

Are you receiving emails from the PTO? If not sign up [here](#)
