The FRMS Media Center is in need of parent volunteers who are able to help on a daily, weekly, or monthly basis. Some of the things you would be doing are shelving books, straightening shelves, and checking out books to students. If you would like to become a regular volunteer in the Media Center, please email Cassie Upshaw at [upshaw.cassie@mail.fcboe.org](mailto:upshaw.cassie@mail.fcboe.org)

Thank you for your support!

Parents benefit from being involved in their children's education by getting ideas on how to help support their children, learning about the school's academic programs and how those programs work. The journey of school is not just for educators and students, it's about parents, too! The **Parent Power** segment is dedicated to sharing articles that support your child's success in school.

## Leadership Word of the Month for *SEPTEMBER*: **HONESTY**

Showing a good and truthful character; able to be trusted

Leadership Trait of the Week  
September 17th – September 21st  
Truthful  
Briauna Sardin  
Student of the Week

### Truthful – Telling or expressing the truth

This student possesses several character traits such as integrity, loyalty, good judgement, and responsibility. Because of these traits I know that she is honest and is someone we can trust.

This weeks' student of the week nominated by Fine Arts for being truthful is **Briauna Sardin**.

### Tech Saturdays

Is a STEM and **Parent Power** initiative designed to expose parents, students and other community stakeholders to educational technology resources that we use in the classroom. Many of these tools have practical applications beyond the classroom and can teach our students workforce development skills. For the 2018 - 2019 school year, we'll leverage the **Flexible Learning Center** to host technology sessions, each session will last an hour on the second Saturday of every month. We will provide light refreshments and request participants to make a charitable donation so we can continue to offer Tech Saturdays throughout the school year.

### Session Dates

Saturday, October 13th - Professional Presentations with Google Slides

Saturday, November 10th - Web Design with Google Sites

Saturday, December 8th - Graphic Design with Canva

Saturday, January 12th - Creating Professional Videos

Saturday, February 9th - Using Spreadsheets with Google Sheets (or Excel)

## The Coca-Cola Give Program

Dear Parents,

We're excited to share that Flat Rock is part of the **Coca-Cola Give** program. This is a new funding opportunity to help improve learning environments for students. The best part? Donations don't come out of your own pocket. When you make Coca-Cola purchases, you simply enter the product codes here: <https://us.coca-cola.com/give/schools/> and our school will receive a donation.

A second option is to save bottle caps from your Coca-Cola products. Students can turn in the bottle caps to their homeroom teachers and the Flat Rock STEM Team will scan the caps for you! As a bonus, the homeroom in each grade level that collects the most caps each month will receive a doughnut breakfast.

Thanks for your support!

The school system's CARE (**Children at Risk in Education**) program is sponsoring a free STEP (**Systematic Training for Effective Parenting**) workshop for parents of students at all grade levels. It is 10-week workshop that will help parents better understand their child's behavior; improve communication with their child and other parenting topics. It will run Tuesdays, from September through November at the Center for Innovation. **Parents interested in attending should contact your child's school counselor for more information.** The registration form can be downloaded from the FCBOE website @ [www.fcboe.org](http://www.fcboe.org) and the completed form turned in to the school counselor. Click on the "programs" tab and select the "Student Assistance Services (CARE)" link. The STEP parenting class link is on the left.

**Systematic Training for Effective Parenting** **FREE!** Workshop
