Is a STEM and **Parent Power** initiative designed to expose parents, students and other community stakeholders to educational technology resources that we use in the classroom. Many of these tools have practical applications beyond the classroom and can teach our students workforce development skills. For the 2018 - 2019 school year, we'll leverage the **Flexible Learning Center** to host technology sessions. Each session will last an hour on the second Saturday of every month. We will provide light refreshments and request participants to make a charitable donation so we can continue to offer Tech Saturdays throughout the school year.

Next Session: January 12 10:00 a.m. – 11:00 a.m. – Creating Professional Videos

ATTENTION 8TH GRADE PARENTS

The deadline for 8th grade ads has been extended to Friday, December 21st. To design and purchase ads, go to www.yearbookordercenter.com and enter in #16550

Also if you are interested in engaging and informing 8th grade students from around the County about your awesome career, please contact Ms. Maddox (maddox.dionne@mail.fcboe.org, ext. 230) or Dr. Trammell (trammell.tama@mail.fcboe.org, ext.229) ASAP.

PARENTS: Please be on the lookout for your child's **picture proof** next week. Ordering information is attached to the courtesy calendar provided.

The FRMS Media Center is in need of parent volunteers who are able to help on a daily, weekly, or monthly basis. Some of the things you would be doing are shelving books, straightening shelves, and checking out books to students. If you would like to become a regular volunteer in the Media Center, please email Cassie Upshaw at upshaw.cassie@mail.fcboe.org

Thank you for your support!

Leadership Word of the Month for December

Trust – Taking care of one's self and others; to carry out a duty or task carefully and thoroughly.

Leadership Trait of the week: December 4 – December 7

Honesty – Honest-good and truthful; able to be trusted; not lying, stealing, or cheating

Student of the Week: This student is dependable, caring, and trustworthy and honest in all situations. He is a leader that displays integrity and humbleness and can be counted on to get the job done whether it be running errands, helping his peers, or assisting a teacher. He welcomes suggestions, is dedicated to his school work, and remains calm in the face of difficulties. He will never let you down and can handle all situations with maturity. We are very proud of him and his morals and values.

8C nominates **Isaac Abbey** for student of the week for honesty.

Parents benefit from being involved in their children's education by getting ideas on how to help support their children, learning about the school's academic programs and how those programs work. The journey of school is not just for educators and students, it's about parents, too! The **Parent Power** segment is dedicated to sharing articles that support your child's success in school.
