Business and Computer Science Guest Speaker Series

FIDELITY BANK

Mr. Brandon Sherman is the Vice President of Fidelity Bank in Fayetteville, the Vice Chair on the Board of Directors for the Fayette County Chamber of Commerce, and the Chairman for United Way Fayette. His expertise on money management and the importance of financial literacy was an honor to obtain for the 8th graders in Business & Computer Science. Fidelity Bank has become a partner with the school and believes in providing Financial Literacy to the entire Community, and especially children! What a privilege to have him as a Guest Speaker to our Flat Rock students.

Dear Parents/Students,

The Sandy Creek High School Track and Field coaching staff will be meeting with any **Rising 9th graders** that are interested in joining the Patriots for the 2020 school year.

In addition, they will also be meeting with any **Rising 7th, 8th, and 9th graders** who are interested in attending a Track & Field Summer Camp at Sandy Creek High School.

The meeting will be held Monday, May 6th, at 6pm in the FRMS gymnasium. Interested students must attend with an adult! If you have any questions, please see Coaches Latimer, Evans, and Tyler.

Parents benefit from being involved in their children's education by getting ideas on how to help support their children, learning about the school's academic programs and how those programs work. The journey of school is not just for educators and students, it's about parents, too! The **Parent Power** segment is dedicated to sharing articles that support your child's success in school. **Check out the link "to see why "teens have less face time with their friends and are lonelier than ever"**

[Teens Are Lonelier Than Ever](#)

Fayette County Retired Educators Association (FCREA) recognizes an exemplary 8th grader from each middle school for his or her high academic achievement and contributions to the community. **The FCREA Outstanding Academic Student Award for Flat Rock was presented to Connor Lannaman.** Some of Connor's awards include two 3rd place awards in two Science Olympiad Events, and being a member of the Math Team who placed 1st at the Griffin RESA Math Competition. Additionally, Connor is a member of the award winning band, as well as a member of the BETA Club and the Boy Scouts. He serves others through his service with Hosea Feed the Homeless and volunteering at Burch. We are proud of Connor, and know that he will soar in his future endeavors as our former Eagles often do. Congratulations!!
