

# MHS 101

## Informational Meeting

**MHS 101**  
**Tuesday March 27th or Thursday March 29th**  
**6:30 pm**  
**Booth Cafeteria**

MHS 101 helps rising 9<sup>th</sup> graders have a smoother transition to MHS. MHS parents have compiled all you need to know about being a McIntosh Chief. This informal meeting focuses more on your MHS experience and less on individual academic classes and pathways. However, MHS students will be present to help with any questions that may arise.

Just informed parents and students sharing their experiences and knowledge of MHS.

## Did you know?

**If you can't answer these simple questions about MHS, then spending a night with us will be extremely beneficial:**

When do I have lunch? (No, it is not on the schedule).

Where is TR4? (This is on the schedule written just like this).

Can I use my cell phone during lunch to do homework?

How do I exempt my mid-term and final?

How do I find my locker and classes?

Can I get a golf cart permit?

Why is attendance so important? (Yes, attendance is important for 2 reasons).

**This is information that students will eventually learn once they have entered MHS, but why wait... Learn it all NOW! You don't want to miss it!**

**Please encourage your students to attend this meeting, as well. They are the ones who will need to know this important information.**
