Start Up Your Future This Summer

Join our movement and gain the skills to become a future business leader. At CEO of My Life, we provide young people ages 8 to 18 with the training, experience and opportunity to succeed in the 21st century job market.

Take Ownership of Your Life

When it comes to careers, it’s not what you know, but what you can do with it, that counts. Our three cutting-edge programs offer something to creative young people no matter what their career goals. Held on prestigious college campuses around the globe, they provide a pipeline from elementary and high school to top companies and startups.

1. Grades 3 to 5: Ignite Your Innovative Drive
CML’s Imagine Me Academy summer program is a week-long introduction to business skills. Using techniques developed at Stanford School of Business, students compete in fun competitions, solve problems using STEM skills, and pitch ideas to a supportive audience of entrepreneurs.

2. Grades 6 to 8: Take It to the Next Level
Build self-confidence and explore careers at Start-Up Innovation Academy. This two-week summer program guides students through the process of launching a personal brand, developing a portfolio and identifying their top skills and talents. Our coaches invest time in each student to ignite their entrepreneurial spark.

3. Stand Out from the Crowd
Get experience for your college application—or starting your own business. CML’s IncYouBator is a semester-long program designed to help youth launch startups and professional careers in the innovation economy through workshops, coaching and mentorships. Build friendships from around the globe and access exclusive job networks. Graduates qualify for our Preneur Placement program, where we connect them with high-quality employers.

Design Your Future on Purpose, Not by Default

We teach the skills to become the CEO of your own life. The statistics show that our formula works:

- 88% of students return to us for further training and education
- 34% of Alumni have returned to be a guest peer coach
- 99% of our first-time students said they returned to school with a renewed interest for learning
- 72% of our graduates attempt to launch a business of their own after completing our program
- 97% of our students got accepted to the top college of their choice
Where Are We?
CEO of My Life youth programs are located on top campuses in a dozen locations around the globe:

- Georgia
- New York
- California
- New Jersey
- Boston
- Washington D.C.
- Colorado
- Texas
- London
- Connecticut
- Japan
- Puerto Rico

Who Can Apply?
Our application process is competitive—but it’s not based on prior experience, test scores or GPA. We know success is based not on what you’ve learned, but what you’ve willing to learn. We seek passionate, committed students who have ambition and expect great things from themselves.

Apply Today!

Start Up Your Future This Summer
Join our movement and gain the dynamic leadership skills for a 21st century career. At CEO of My Life, we give teens and preteens the training to take ownership of their life—whether they’re planning on becoming an engineer, going to business school or starting their own company.

Life By Design, Not Default
Held on prestigious college campuses worldwide, our immersive educational experiences prepare future entrepreneurs for the jobs of the future.

1. Grades 3 to 5: Imagine Me Academy
   This week-long introduction to business will ignite students’ drive to succeed. Using techniques developed at Stanford School of Business, students solve problems, compete in fun competitions and learn to pitch their ideas.

2. Grades 6 to 8: Start-Up Innovation Academy
   This two-week summer program is the next step in exploring future careers. Students launch a personal brand, build a portfolio and gain exposure to trending careers.

3. Grades 9 to 12: IncYouBator
   This semester-long program helps teens gain experience for their college applications and the job market through workshops, coaching and mentorships. Gain access to exclusive career networks through our Preneur Placement program.

Design Your Future
- 72% of our graduates attempt to launch a business of their own after completing our program
- 97% of our students got accepted to the top college of their choice

We’re Looking for Students Like You
There’s no GPA or test score requirement to apply. We’re looking for innovative, ambitious problem-solvers from all backgrounds.
