

Application Guide

To apply for the STEM Program at Whitewater High School, you will need to complete the online application.

- ➔ Go to the **WHS website**
- ➔ Select **Student Resources**
- ➔ Select **STEM Program**
- ➔ Complete the **STEM Program Application**

When you complete the online application, you will need to provide the email of your English, Math, and Science teachers. We will contact them for a recommendation. You do not need to print a teacher recommendation for them. We will get the recommendation electronically.

When you complete the online application, you will also need to provide additional information relating to your interest in our STEM Program.

Please be prepared to answer the following questions when you apply:

1. Why are you interested in the STEM Program?
2. Explain an activity you have done or participated in that illustrates your passion for learning.
3. What will you contribute to the Whitewater STEM program?
4. List any STEM-related activities you have participated in since 6th grade.

After you submit the online application, we will contact your English, Science, and Math teachers for a recommendation. The rubric for the STEM selection process is posted online.

Applications must be submitted by Friday at 4 pm.
