Schoolwide Goal for 2018-2019 Year:
IMPROVE WRITING IN EVERY GRADE!

Ways to incorporate writing into life
at home EVERYDAY!

- Ask your child to retell a story in words/pictures. Have them create a narrative.
- Have a family journal- where you and your child write about events, experiences, thoughts, and opinions.
- Invite your child to write messages, grocery lists, notes, and other household texts
- Revise their writing and share the importance of editing their work
