

Leave a Lasting Legacy at Peachtree City Elementary School!

Two years ago, in order to make the PCES courtyard a more usable instructional area, we began the process of remodeling. One of the funding sources was the sale of memory bricks. I have had several parents inquire about the memory bricks and how they could get one. I have checked with the people at All South who did the initial work, and it is possible to add to our courtyard.

MEMORY BRICKS are back on Sale!

Cost is only \$30.00!

Solidify your child's name and memories on the PCES campus. These special MEMORY BRICKS will be installed in the courtyard and can be purchased to commemorate your child, remember a special teacher, share some words of wisdom and inspiration, show support from local businesses, share sincere expressions of pride & school spirit, and much more!

Makes a great gift! All orders are tax deductible.
