INTERNATIONAL BACCALAUREATE PROGRAMME

Application for Admission in the IB Diploma Programme

The International Baccalaureate Programme provides highly motivated, college-bound, Fayette County high school students with a rigorous, interdisciplinary, cross-cultural curriculum that is recognized by the most selective colleges and universities worldwide.

Students with high ability and high performance are natural candidates. However, capable and highly driven, persistent students who have not previously earned a high GPA can be successful since the program is intended to attract many types of students. A student who is lacking in any of the academic criteria, is a special needs and/or ESOL student, is not automatically disqualified from consideration.

It takes two years to earn an IB Diploma, thus students will start taking IB classes their Junior (11th grade) year.

All interested students must complete this application during their Sophomore (10th grade) year.
