

Attention Parents!

Purposity Holiday Angel Tree Program makes wishes come true

The Purposity app will again be used to secure essential items from the community for needy students

You can request essential items (clothes, pajamas, coats, shoes, etc.) on a form provided to you by counselors at your school. Items received will be put into gift bags and provided to the counselors for distribution to students.

- ★ Details such as color and size must be included, or insert a link for online purchase through Amazon Prime
- ★ Item must be eligible for free shipping
- ★ Toys, games, and other non-essential items are NOT to be requested through this form (only essential clothing or hygiene items)
- ★ November 3 deadline to enter items on form

Questions? Talk to your counselor.
