IMPORTANT NEWS AND REMINDERS

→ **Dual enrollment for 2023-2024 school year:** Dual enrollment is a state funded program that allows students to earn both high school and college credit for certain classes. Any student interested in participating in dual enrollment next school year must follow and complete the steps by May 1, 2023. Students should register now for an ACT/SAT, if the test is required for admission to your dual enrollment institution. Students are responsible for checking the admissions requirements at each participating institution. Students currently participating in dual enrollment must also attend/watch an informational meeting, complete the dual enrollment contract, meet with his/her counselor to approve classes, and register for classes at the college by May 1, 2023. Both the student and a parent/guardian must either attend an in person meeting or watch the meeting presentation online (available in the student's schoology account). The recommendation is that all students who will be new to dual enrollment during the 23-24 school year attend an in person meeting. All meetings will be held at the Center of Innovation (COI) 250 Peachtree Parkway Peachtree City.

→ **Current 11th graders:** you will be meeting with your counselor during the week of February 13th to discuss course registration for school year 23-24. Students will receive a transcript and Advanced Placement contract (if applicable) during this meeting. Current **10th graders** will meet for registration during the week of February 27th. Counselors will meet with current **9th graders** for registration during the week of March 6th. We meet with students individually each year for registration in order to advise students in course selection based on their career and academic goals.

→ **10th and 11th graders:** If you are interested in Work Based Learning for school year 23-24, please check out this [website](#) and complete the application. Applications are due February 13, 2023.
