

Sandy Creek High School Summer Reading Assignment 2020-2021  
Gifted Pre-AP English I: Literature and Composition  
Mrs. Cindy Claxton

Welcome to Sandy Creek High School! I look forward to working with you as we begin a fascinating and productive odyssey together. Whatever you do, do it with excellence!

Please proactively read the following literary selection during the summer. If you will engage in its contents, this delightful read will set you up for success in every literature class you take at SCHS, including those in the Advanced Placement (AP) program and the International Baccalaureate (IB) program. We will discuss and implement the information and insights from this guidebook throughout the school year.
