Dear Students and Parents,

Welcome to Inman Elementary School- Home of the Eagles!

I am very excited to serve as the principal of Inman Elementary. It is evident what a special place Inman is and I know this year will be as well. During the last year, students and staff were relentless in their pursuit of learning despite a global pandemic. This alone speaks to the dedication of our staff, parents, and students. We are excited to move into the new school year and hope to make this the best one yet.

I take pride in being a member of the Inman family, and I hope you do as well. I look forward to watching you grow and develop this upcoming school year. At Inman, our students are the number one priority! We are going to challenge you to be the very best version of yourself as we focus on the whole child. We are going to be very intentional in this pursuit. We have an amazing staff who are ready to challenge, engage, and nurture you on your educational journey. We are excited to kick off the 2021-22 school year with you. I am looking forward to a GREAT school year and hope each of you share the same excitement.

Parents, we value you and your support for Inman. We hope that you continue to take an active role in your child's education. If you have not already done so, please join our amazing PTO. This organization contributes countless hours of time and resources to our school.

If you have any questions or concerns, please do not hesitate to contact your child's teacher or myself. Your input is valuable as we continue to become better. Go EAGLES!

Tabitha Walker
